# PRIESTLY GARMENTS part 2

By Evang. Toke Ayeni

.....“You shall skillfully weave the tunic of the fine linen thread, you shall make the turban of the fine linen, and you shall make the sash of the woven work. For Aaron’s sons you shall make the sash for them and you shall make hats for them, for glory and beauty. So you shall put them on Aaron your brother and his sons with him. You shall anoint them, consecrate them and sanctify them that they may minister to me in the priest’s office. And thou shall make them linen breeches to cover their nakedness from the loins even unto the thighs they shall reach, they shall be upon Aaron and upon his sons when they come in unto the altar to minister in the holy place. That they bear not iniquity, and die; it shall be a statute forever unto him and his seed after him”.... Exodus 28:39-43 KJV.

The previous edition highlighted God’s specifications for a priest to be able to minister in the holy place in the Old Testament. This was also related to the New Testament believer as God’s royal priesthood. 1 Peter 2:9.

However this edition focuses on the significance of Gods’ specification for the New Testament priest. Firstly, God instructed Aaron to put on the breast-piece of decision, this was symbolic of the fact that he was a representative of the people before God, thus when spiritual decisions were to be made, it was incumbent upon the priest to make

such decisions as he is expected to convey God’s mind to the people when important decisions were to be made that would affect the whole community.

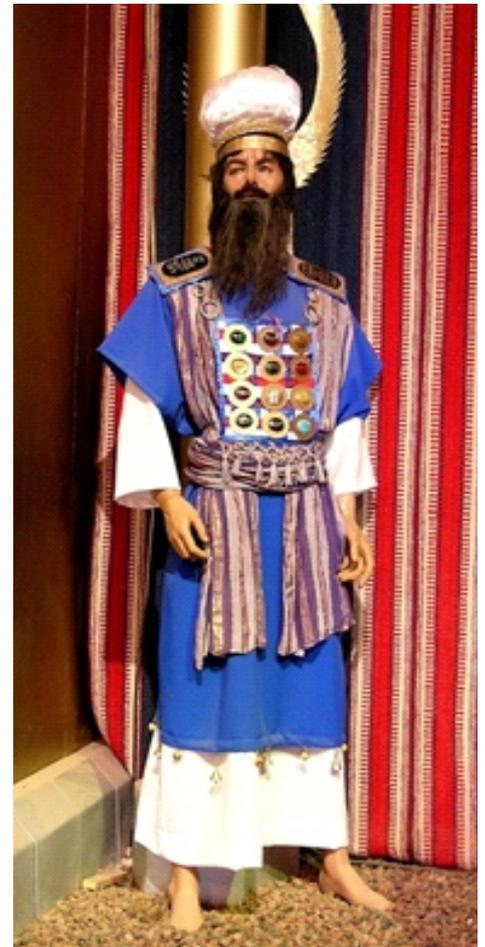

Secondly, some parts of the garment were worn for safety reasons. These include the pomegranates and the bells which were around the hem of the priests garment. This was to inform the people if the priest was still alive or not. As long as the pomegranates were worn by the priest, it was to symbolize eternal life and the promise of fertility, thus if this safety decorations were absent in the priest’s garment, there was no assurance that the priest would come out of the most holy place alive.

Thirdly, God instructed that the priest’s under garment be made of soft linen to cover his nakedness even to the thighs. In essence, God’s specifications for a priestly garment in the Old Testament is indicative of God’s spiritual standard for the priest in the New Testament. The priest must be set apart for God’s work of atonement of sins. He must also be able to follow directions by being compliant with God’s dress codes which is synonymous with the lifestyle expected of the priest before he approaches the holy place to minister. This is confirmed in 2 Timothy 2:19. Although we are in the dispensation of grace, God’s standards still remain the same especially for the priest who ministers before the altar.

The question is, what are God’s punitive measures for violators of the specified

dress code for the priest who ministers in the holy place?

To be continued in the next edition - Priestly Garment part 3.

# A CHAT WITH

# PASTOR MOJI ALAWIYE

## 1. Can we meet you ma?

PMA: I am Pastor Moji Alawiye, people call me PMA.

## 2. How did you start your ministry?

PMA: With the inspiration of the Holy Spirit, the vision of God is always progressive, one just finds oneself in the church with a passion. I started off as a choir member in Baptist “Molete Baptist choir. There, my gift was first discovered. I was always singled out of the crowd whenever I sang in the choir. People knew there was something special about this person.

After being in the church choir for some time, I discovered that there was a passion to worship God and I had this global mind set. I am not the regular Nigerian gospel music artist that everyone knows.

## 3. When did you give your life to Christ?

I gave my life to Christ in the year 1987 but my ministry was formally inaugurated in 1992. There have been so many diversifications in my ministry, which includes; my talk-show, my worship experience program and media.

So, my ministry is categorized under music, media and mentorship.

## 4. How have you been able to manage your family and your ministry?

When God sends you on an errand, He empowers you to do it. Then you must also be able to recognize the gift that God put around you; the gift of human beings.

i) The ability to manage my family and ministry is the recognition of the gifts that God put around me.

ii) The support that I have from my husband and the wisdom that God has given me to submit myself to him and to be under his leadership, has also helped me. There are so many women whose call is the major thing in their heart. That call of God pushes them into various erroneous decisions, that they do not care about what is happening in the home front. I am not that kind of person! The wisdom to not be that kind of women lies with God.

## 5. What's your definition of a true-worshipper?

A true worshipper is one with many diversification in ministry, who worships in spirit and in truth.

Worship changes you into a true worshipper; it aligns with your life style.

It is not the one you lead it is the one you live! A true worshipper is a true Israelite in whom there is no gile, someone who is completely sold out to God, it is not about you but about God. Someone who does not want God to be glorified through him alone but through others as well. It is not someone who is afraid or envious of another person who is also coming up.

## 6. What's your piece of advice for upcoming ministers?

I) Stay focused and know that it is not about

you but about God.

ii) Know that it is not about what you will do for God but why God will do it with you.

iii) Take yourself away from the forefront and making things happen and let God make it happen. That does not mean that you will be complacent but let God lead and you follow.

iv) Do not make anybody your standard and do not compare yourself with anybody, stay where God has put you.

Lycos Nyame's Corner  
**Integrity** in  
Worship

**I**ntegrity is an essential element in the true worshipper's lifestyle. Integrity is when you do what you say, when your lifestyle matches what you claim to believe and profess that you are. You cannot worship God on stage and have a daily lifestyle before men that portrays a lack of trustworthiness in MANY areas of your life. Yes, we are a work in progress, however IF we stay in the presence of the Lord consistently, we reflect His image. According to 2 Corinthians 3:18 "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord". 2 Corinthians 6:1 also counsels us NOT to receive God's grace in vain. Worship is a lifestyle, not an event. It is the day to day lifestyle that comes from living in the presence of the Lord and in obedience and sanctification. This lifestyle is what propels the worshipper into an entirely different realm that causes him or her to reflect Christ's glory and impact lives during moments of worship on stage. May we worship the Most High God in integrity.

# MINISTER WUNMI ABE

## 1. Can we meet you?

My name is Wunmi-Abe, a native of Oyo State Nigeria.

## 2. When did you start the music-ministry?

At the humble age of 5 years. I have been singing all my life but I started singing professionally in 2012 though I have been a praise and worship leader all my life.

## 3. What's your most popular song?

My most popular song is CHONGA. I am popularly known as Wunmi CHONGA.

## 4. How do you get your songs/what inspires you to sing?

God puts words into my mind, through my dreams or through my life experiences. God speaks to me in different situations.

## 5. Who is your role model?

Jesus is my role model, although I have a few people who inspire me too. Jesus is my Hero.

## 6. How do you manage your family life and ministry?

The Bible says to trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge Him and He will direct your path. So I trust in the Lord to direct me in all of my ways, He is the one who instructs me on what to do per time. I slow down when the Lord tells me so I can take care of my family, that way I can mediate well between my family and ministry.

## 7. What is your definition of a true worshipper?

My definition of a true worshipper is the biblical definition. A true worshipper must worship God both in spirit and in truth.

## 8. What piece of advice do you have for music ministers out there?

My piece of advice for music ministers is as follows;

- i) know who you are
- ii) ask yourself why you are you doing

ministry. Are you doing ministry for your fans, your family or GOD? This is because ministry challenges can be very frustrating and at some point, you would need to rely on the purpose behind you doing the ministry work.

- ii) Make sure you are called by God to do the ministry work.

# Marriage is a love project that shouldn't fail

*"I am in love! It couldn't have been better without you, darling!"*

## LET THE BEAT OF LOVE GO ON...

I made up my mind a long time ago to make God joyful over my marriage and make the devil very sad. I have not changed my mind yet and will never change it from "YES I DO".

### Marriage Is Love Game!

1. Play it well in your marriage early enough before you get old!
2. Don't waste the strength in your youth fighting your spouse or frustrating each other.
3. If unpalatable things are bedeviling your marriage, do not take the laws into your hands.
4. Go to God in prayers and ask Him for grace and mercy to do to your spouse how God wants you to.
5. Make that sacrifice to win your spouse and save your entire marriage-ship. It takes the sacrifice of agape for God to get you saved.
6. Talk more about your spouse positively and lovingly apart from the way you talk about Jesus and your pastor!
7. Don't wait till it's his or her birthday to show romantic love. (It's not my wife's birthday either... just enjoying life with her)

Marriage is a love project that shouldn't fail. So, apply that agape love that never fails!

And the beat goes on... (pamparam pampaparam) ...just like love ... everlasting!

## JOY ADEYEMI'S STORY

**E**verything that has to do with the family, divorce, teenage pregnancy and wives returning to the way God designed our role in marriage. This is called the Not On My Watch Mandate. Not on my watch will I see any family go down or stranded in any circumstance. When God said that He is looking for true worshippers, I don't want to be looked for by God before I worship Him. I am always there to worship my God. Praise worship is a safe arena for me, I feel free and fulfilled with no care in the world when I am in His presence praise worshipping. I have been married 10 years to a man that has been my rock, he gave love another definition, words are not enough to describe my "kabiesi". God has blessed my marriage with 2 lovely children whom I call my favorite color.

## SANKEY BULLET

Upon moving to the United States, he started a jazz group with his brothers called Fuzzy Brothers. He has written over 50 songs. Sankey Bullet has devoted his entire music career to the service of the LORD. This album "You Changed My Story" is the expression of the deep gratitude Minister Sankey relays to the LORD.

# WORDS ON MARBLE

by LAWAL ADEKUNLE KAMAL

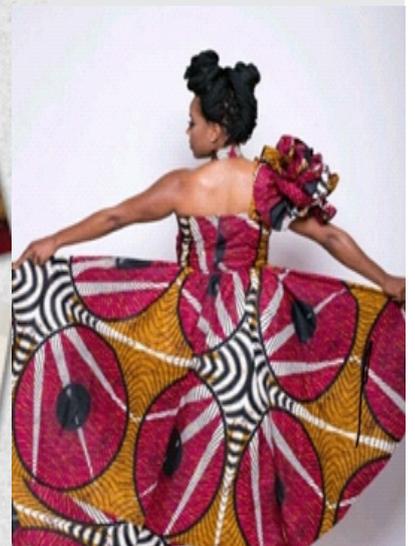

- The blueprint of a man's life is with God. He has the responsibility to discover it and until he discovers it, he cannot run with it.
- Your thought is your peace maker, it connects to your reality and your reality is your physical well being.
- Any life that is not kingdom oriented is a wasted life no matter how much it was able to accumulate in terms of material resources.
- One who does not understand the purpose of life will abuse it.
- Every talent or gift is a given to man for the purpose of good.
- Whatever is using up your ground is robbing you of your harvest.
- What you get is limited by what you see; see beyond where you are now.
- If you cannot see what is available, you cannot be what is available.
- Don't wait for a perfect time before taking the right step, start now.
- The first step to get to where you are going is to decide you don't want to be where you are now.
- The difference between a little and a lot is time.
- When your thoughts are conservative then there is no reason for you be afraid of the unknown.
- Impact is what determines a successful life not longevity.
- A wasted life is that in which its purpose of being is not addressed.
- Nothing is impossible only you have the power to support yourself into what you want to become.
- So much of your happiness depends on how you choose to look at the world.
- Those who believe without reason cannot be convinced by reason.
- Your solutions are in your problem.

EMAIL: [naomibaffour@yahoo.com](mailto:naomibaffour@yahoo.com)

REVEREND SOLOMON JAMES

1. Can we meet you sir?

RSJ: My name is Rev. James Solomon, the senior pastor of the church in Atlanta, and founder of Jesus People Revival Ministries world wide.

2. When did your ministry start sir?

RSJ: Jesus Family Chapel is a church under Jesus People Revival Ministries. Jesus People Revival Ministries started in 1989 In Ikire Osun State, Nigeria and grew large till date. In Osun State today, the JPRM Ministries has over 20 branches, part of which includes, Kenya, London and Atlanta, The JPRM Ministries has other ministries underneath which includes, The I Am Bible School, The I Am Night which is an interdenominational outreach ministry.

3. How did you manage your ministry challenges?

RSJ: Ministry challenges are part of the journey because our Lord Jesus Christ faced them.

He faced challenges with his friends, his parents, his tribe, Pharisees and Sadducees. How do we overcome these challenges? Just as Jesus did, the more He

faced challenges, the more he goes for prayer so we need more prayers when we are faced with challenges or pressure in ministry.

4. How are you able to manage your health, family and ministry?

RSJ: You have to differentiate all

these areas. Your family is number 1st priority outside of God, Make plans to carry all your family members along, make them realize the vision of the ministry, so they can run with you and be in an agreement with you.

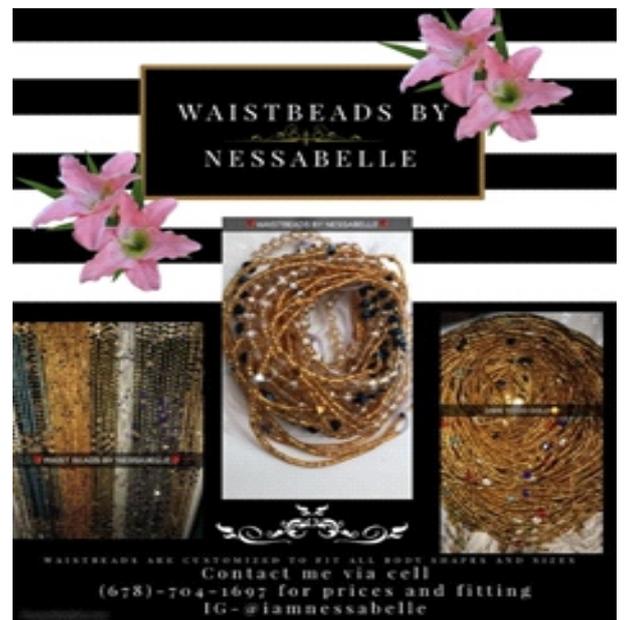

5. What is your definition of a true-worshipper?

Response:

A true worshipper is someone who really starts with God and maintains closeness and intimacy with God.

6. Do you have any piece of advice for upcoming ministers?

RSJ: Recently I preached on A Man God Uses. In my ministration, I preached on the fact that the man God chooses is the man God uses, so it is not right for a minister to jump out in ministry, for there is God's call, God's timing and a chosen time to fulfil the call. It is necessary to wait on God.

**How do you perceive God's words and how effective are His Words in your life?**

You cannot know much of this Invisible God, until when you begin to simply take Him at His word and also agree with Him by believing and speaking what He has said; for two cannot walk together unless they agree! The reality of what the Lord is, and what He can do is experienced when we verbally declare it. We will enjoy God and His blessings more when we affirm Him. We MUST live by what God says and the secret strategy is broken down for you to understand in this book. You will understand how not to confess your need, but instead, speak the word in place of the need and the power in the Word shall be meet your need at the right time. God speaks His word to solve problems. A life of daily continuous declaration of who God says He is and what He has promised will bring his Power and Provisions into your life and circumstances. We benefit from the word of God when we believe and speak it out aloud boldly. The word that is settled in heaven settles all things on earth, including all the things you want to make demands of; the solution which is already ordained in the Word will be activated when you speak the word of God out boldly. I encourage you to read carefully the book in your hands and your life will never be the same again, in Jesus Name.

# Critical Choice

Life is a choice, clothing is a choice, virtually all that we do in life is a choice; obedience and disobedience are also choices.

You have the platform to choose right or wrong but be vividly aware that any choice you make determines what will become of your tomorrow.

Luke 19:1-10  
He was among the press but could not see Jesus and he took extra efforts by climbing a sycamore tree and thereafter, Jesus saw him

Few things are very significant here

1: The stature - literally a short man, but your stature has nothing to do with Jesus seeing you Isaiah 59 vs 1 and 2. The spiritual stature here is the sinful nature of man.

3. The press - the crowd; he came out of the crowd, refusing to join the multitudes

4. The decision - In vs 8, he decided to make restitution, to refund to people what he had forcefully taken away from them.

5. He made further efforts ,by climbing a sycamore tree and never minded his position or the risks involved.

5. His efforts were noticed, Jesus pronounced him a saved person, and his entire household was also saved.

# VESSEL OF *Praise*

By -Pastor Comfort Ogie

A vessel of praise is one who offers God the sacrifices of Praise and worship. Such a vessel should live a sanctified life set aside for God only. He or she is a container that contains praise. Knowing that no defiled thing must be offered to God, the container must be willing to maintain a sanctified lifestyle, so as to draw inspiration of worship to God. Rom 13: “I beseech you by the mercies of God to present your body holy and acceptable unto God for this is your spiritual act of worship”

It is a pity that today every tom, dick and harry, claim to worship God yet swimming in the ocean of sin and immorality thus offering a polluted- sacrifice to God, forgetting that the prayer of a sinner is an abomination unto God.

What then now do you think? Has God changed? Has he lowered his standard? Can we modernize or civilize God?

The garment of holiness and purity remains the requirement for a true worshipper it must be a

constant ministration that mustn't be lacking in the message of the church. My counsel is that worship on earth must be done as it is in heaven. We need to learn from the lifestyle of the 24-elders that worship God in heaven Rev: 8-14

# THE FOCUS GROUP

F.O.C.U.S stands for:

## Follower Of Christ Uplifting Souls

We are inspired by the word of God. . And his prophecy being fulfilled. We love God with all of our hearts we love our brothers and sister and we point people towards Jesus Christ as Lord and Savior with songs of praise and ministry. A word of advice to my brothers and sisters is to love God with all your heart. And to share the gospel and lift up the name of Jesus Christ throughout the world because there is no greater reward after life than to hear these words." Well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord."
