INTRODUCING PRAYER MOMENTUM

31 DAYS OF INSPIRATION & PRAYER

By Pastor Peter Olaniran

This is written to encourage Christians and the entire body of Christ to build a better foundation (Psalm 11:3:3) "If the foundation be destroyed, what can the righteous do? As I grew in my Christian journey, I wished there was a book of this nature to nurture and enhance my Christian faith. This book looks at various biblical references areas affecting or relating to the life of a believer and gives brief explanation about the topic and prayer points. This book will aid the reader to build a sound prayer life and a deeper understanding of the bible as he/ she read the book.

As children of God, we must realize the importance of Prayer. Prayer is a gateway and access to God's wisdom and communication. Knowing and understanding the avenue to reach God improves our relationship with Him. Every Christian must have a source of strength renewal. This book becomes a Christian resource and should be used in conjunction with the Bible. This book becomes a daily guide to cry out to God Almighty. It expresses deeper understanding and explores the implications of issues of life and how to handle them with prayers. I encourage each reader to use this book as an additional resource to develop their prayer life.

Remember that our journey of prayer is through the eyes of faith. God never ignores our prayers rather He answers in His own time. God's time is not our time. (Genesis 18:10) says "And he said, I will certainly return unto thee according to the time of life and lo Sarah thy wife shall have a son. And Sarah heard it in the tent door which was behind him. If you use this book I pray that the God of answered prayers will return to answer you "according to the time of life". Be blessed.

TIPS FOR PRAYERS

When things are not working pray
When things are working pray more!
When things are working really well pray really well!

WHY MAKE A PRAYER CONFESSION

You might be wondering, why do I need to make prayer confession? The Bible teaches in (Proverb 23: 7a) about the power of our thoughts in our lives -11 For as he thinketh in his heart so is he" and also reveals the power of spoken words in Matthew 12: 34-35 "As a good man out of the good treasure of our heart should bring forth good things". In case you don't know, your speech most of the time reveals one's character.

Furthermore, Romans 10: 8-10 reveals that the word is in our mouth and in our hearts and it is the word of faith that we profess, through the word of faith, there is an instruction to confess it with our mouth, if we believe in our hearts, our prayer will be honored. God therefore gives a universal opportunity to all who want to confess, through the faith of our Lord Jesus Christ. From a believer's perspective, the area of prayer confession could be crucial because of our environment, friends, situation, circumstances, spiritual attacks to mention but a few. The Bible encourages us to have control over our hearts.

The account of Proverbs 4:23:11 "Keep thy heart with all diligence for out of it are the issues of life". This area of the scripture drives home my real concern on a believer's life. The words that we speak are life and can dictate the way and manner we react to life that is why the bible says in Proverbs 18:21 11 Death and life are in the power of the tongue... I strongly believe that you are a true result of your yesterday's actions. When you pass through a particular situation or moment in your life that is not favorable most of us fail to accept responsibilities rather we pass it on to someone else or blame someone else.

To be candid, God has given us the power to change those unfavorable circumstances, situations and moments.

PRAYER MOMENTUM 31 DAYS OF INSPIRATION & PRAYER

This book through the grace and power of God offers you another divine opportunity to regain your lost ground.

Sacrifice is most essential to a successful believer's life. A mere act of being a living sacrifice helps us navigate the world better. Sacrifice cannot secure and ensure our forgiveness. Isaiah 1: 10-17, Micah 6:4-6, Ter.7:1-26, 1Chronicles 28:9.

Saying a prayer confession every morning religiously is not sufficient to make the total difference but endeavoring to make an investment in your life towards heaven. Jesus did not have to die, but He did. This is why you must make these confessions truthfully. If we fail to make total commitment to our heavenly journey it will be like a sticker I once saw that reads "everybody wants to go to heaven but nobody wants to die."

ANSWERING PRAYER HAS SEVERAL DIMENSIONS

The secret of success is constancy of purpose. There are four dimensions to which God can meet your prayer needs. Prayer is a two-way traffic and to have effective and meaningful dialogue in prayer, you must have a sensitive spirit. That is why Proverb 20:27 says "The spirit of man is the candle of the Lord, searching the inward parts of the

belly". This simply means that man has inherited being in the image of God, an in-built ability to receive from God. The reason we short circuit from God is due to not being alert in transmitting our prayer channel. We must allow the Holy Spirit to light up the candle of our hearts.

WHAT HAPPENS WHEN WE PRAY?

As Asa did in 2Chronicles 14:11-12, we are asking God for the impossible and He is able to do it. In offering our sincere desires to God, Jeremiah. 29:11-13, John 5:14-15, He is able to meet with us. God is our greatest source of fulfilment. In praying to God we are moving our world as He did in the case of Elijah, Job, Daniel in Daniel 6:6-28, and Christ as well.

PRAYER MOMENTUM 31 DAYS OF INSPIRATION & PRAYER

HOW TO MAKE THESE DEMANDS AND IN WHOSE NAME

According to the Bible, these demands are made in the name of Jesus as the scripture below states:

(John.14:13) And whatsoever ye shall ask in my name, this will I do, that the Father may be glorified in the Son. 14:14 says' 'If ye shall ask anything in my name, I will do it.

(Matthew. 11:12) But from the days of John the Baptist until now, the kingdom of the heavens suffereth violence, and the violent take it by force" .(KJV).

.....The four Ds and a No will be continued in the next edition.

The Faithful God; The THEMPAW Church History

MINISTERS IN CHARGE:
**PASTORS GOKE &
KEMI AWODELE**

Paul asked series of rhetorical questions in Romans 9:19, which states in part, "For who has resisted His will?" The History of this church is that of human's inability to resist the will of God. The name of the Ministry was one of the three things I asked God to make known to me, to affirm that he really intended for me to start the ministry, and during one of our Digging Deep sessions in January of 2017, he gave me the name of the ministry. This was after going on a long fast and seeking His face. What He asked me to do was specific and specialized. The question is how do I start? He gave me strict instructions, which limit what I can ask from anyone. No launching, no solicitation etc. It was difficult, but I had to obey.

My wife knew I will pastor a ministry before we got married, so, it was not difficult for her to agree with me. I was the only one who really don't want the burden of leading a ministry. My children were already tired, as we have had to leave a bigger church, go to a smaller church and now we must start a ministry. If you look at the inaugural picture, you can tell a lot about what was going on in the mind of the young ones. I thank God today, that they obeyed and are witnesses to how much God rewards obedience.

We started in the hallway of our kitchen on Sunday, April 2nd, 2017, myself, my wife and our three children, all ministers with ministerial roles during the service. My message was to encourage them to believe in what God has called me to do, and I am glad they did. I must state that when I obeyed the call, I was content with only my family being the church if that is the reason why God called me.

Then the Lord began to send advisers, counsellors, encouragers, and all diverse supports that we need at each stage of the journey. I will refrain from mentioning names to save time. Before starting, I visited a pastor friend to ask about procedures and guides, including the legal steps to take in starting a church. I asked another pastor friend about securing location. They were all willing and ready to help me, but it was not an easy state for me I must confess, I never saw it coming. A pastor friend advised me to use our basement for sanctuary when he visited for our prayer meeting. Another pastor friend visited the basement and advised that we need to look for a location. As we prayerfully followed the counsels, the Lord began to do his part by adding His saints to us. We have decided not to poach, but to seek those who are unchurched, and those seeking the unique kind of ministry that God has committed to our hands.

We had a setback in 2018, when the City of Dacula suddenly withdrew our location permit, but the Lord gave us a bigger location in return. We survived the COVID19 period, and before things start getting normal in 2021, the State of Georgia advised us that the location we were using is being condemned for the purpose of expanding highway 316. In return, the Lord gave us our current location this year, which is about 3 times the size old location, and more contemporary in esthetics and style. The Lord has sent us leaders, to hold our hands, notwithstanding all the setbacks and challenges we have faced. He has always sent us people, who knew His you that you are trusting and serving the Faithful God!

mind and what He expects them to do. We have witnessed conceptions and safe deliveries for our women since inception. We had weddings in the church every year since 2019, and even two weddings this year. We have had water baptisms in the church and souls have been filled and baptized with the Holy Spirit in it. The Lord has delivered many from oppression and captivity of the devil in accordance with Luke 4:18. The goal of developing Christlike character in believers is evident in the lives of our parishioners. We never had to suspend meeting together for our Signature monthly "Of Like Passion Prayer Night" despite the shifting settings of worship and prayer locations.

The Lord connected us to His servant, Prophet Michael Agbaje, who has been a source of spiritual support to us as a Ministry. We are so grateful for this, and for all the people God has used to make everything possible, spiritually, financially, and physically.

One thing I can see in the journey of this ministry, is that God remains faithful to His word, even when we feel inadequate. This is what we are celebrating; and for anyone who feels hopeless today, let the story of this ministry, remind

The Danger of ROOT TOP CORNERS Due to STRIFE IN MARRIAGE

Part 2A

By Pastor Christopher Ikebuwa

It is better to dwell in a corner of the house top, than with a brawling woman in a wide house (Proverbs 21:9) **SATAN'S SCHEMES THROUGH ROOFTOP CORNER ANTICS TO DETROY MARRIAGES.** Rooftop corners escapades, as advised by king Solomon is not the right way to solving marriage problems.

Even Solomon with all of his wisdom created his own "rooftop corner-problems which eventually destroyed his marriage and then his kingdom at last. How could a man really have 700 wives and 300 concubines and not be scorched spiritually, emotionally and physically? See the summary of the predicament he created for himself at (1king 11:1-11). That was why he could say from his own point of view of marriage palaver; "It is better to dwell in a corner of the house top, than with a brawling woman in a wide house" (Proverbs 21:9).

Everyone's marriage comes with its own peculiarity and the ways to getting issues properly solved are not always same. Each peculiar problem may vary from lack of knowledge and lack of adequate preparation of marriage beyond the paraphernalia of wedding. Marriage problems which drive people into hibernating in situations that describe "rooftop antiques, aid couples

in complicating matters which in turn may lead to permanent separation or divorce much later.

Every divorce or separation in marriage is preceded by emotionally separation, even when the couples are still living under one roof. The devil cannot scatter any marriage unless he finds some habits that couples permit him to feed upon...

Pressing

Into the release of the Endtime Blessing

By Pastor Joel Elijah Pt 1

Every divine visitation, revival and awakening in the Bible and church history preceded from the intense and purposeful intentional prayer of the saints of that age. Power comes from prayers. Every revelation from scriptures is birthed in prayers. Every generation must take responsibility of the blessings/visitations of the lord by prayer. Also the victory of the church is also a result of sustained prayers.

In the New Testament, John's baptism was a result of prayer. The angel told his father at altar of sacrifice that "your prayer has been answered (luke1:1-13). In acts, we are told they prayed in "one accord". In acts 2, we saw the result of their prayer in manifestation of the Holy Spirit (a mighty rushing wind like tornado) in acts 3:4 showed us that prayer was a lifestyle of the first century church.

A kingdom focus prayer shall command kingdom power. Jesus instructed that power should be demanded, in prayer of every Saint there is the secret of the kingdom reign if we keep to it. In Rev. 8, the angel revealed to John that prayer is the secret to shake the foundation of the earth and to release the very answer to the demands of the church. In Daniel 7, shows us that the wealth of the world system belongs to the saints, the

power of the most high. But the throne must only be favorable and attainable by the plead and demands of prayer of the saints.

God does mighty works in righteousness (Ps65). If only they can pray, Prayer is the power of the glorious church. The above scriptures are a call to prayer for the release of the blessings of God upon the church. In 2 cor. God told Solomon that if the people are in famine and un nourished, they should humble themselves in repentance and prayer. Then he will heal their land which signifies their business and economic resources. A close look in the scriptures will show us there's power to preach, heal and do miracles. The restoration and blessings of the Israelites were all in the book of Ezekiel 36; verse 37 says that they must pray before he will release them the blessings.

Jesus prevailed to reign .Zion must travail before it will prevail. The blessing of the end time church is released in the place of prayer. The glory God has ordained for the church is only accessible through prayer. Great revival is a result of the prayer. Prayer is the power behind every great happiness in the body of Christ. Many saints prayed before the healing, revivals in American history, churches and the world...

Understanding the WORKING OF GOD

By Rev. Bukola Denton

Pt. 1

He was the one that reveal to the wise men the star of baby Jesus, through the Angels and told them what to do, so can He not stop Herod?

The word of God is a mystery. We are to be growing daily and understand better as we study the word of God, The spirit of God will interpret it to you better. God has the power to do all things and he does it in order that men might fear him and also to the glorification of His name. (Matt 2:1) He has power to destroy Herod but for a reason He did not, that does not mean He's not God again.

When Jesus was in the wilderness Satan came to tempt him, He can handle it but he wanted Jesus to demonstrate the power in Him and want Satan to know his limit.

Don't take step anyhow but try to understand why you must slow down at a stage.

Understand why you must run on a high speed, Understand when a time is a season of project. Our God is detailed, If at a certain time you are to purse, Understand it...

Dressing

Into the release of the Endtime Blessing

By Pastor Joel Elijah Pt 2

The Abrahamic blessing cannot come except by prayer. One of the great revelations of Paul the apostle was the release of blessings of Abraham to the gentiles, churches and the body of Christ in general. The church must awake to prayer because all our God ordained resources in heavenly realms are accessible by faith. By prayer we call forth substances of our inheritance /desires into manifestation.. Jesus said whatever we ask in prayer is ours by faith. Mk 11:23/24. Glory be to God.

God has promise to eradicate shame, poverty, reproach, stagnation, barrenness, unemployment, failure, all manner of afflictions and attacks from the church. (Joel 2:25-27). The baton of dominion to rule and reign in our various endeavors has been conveyed to us. (Rev 5:10). Prayer is the master key that unveiled every veiled

blessing of ours.

There is a divine, unfathomable blessing coming to the body of Christ, the church that the world system must bow to. (Isa 2:1-5). God meant to bestow fame and praise to his people. (Zep 3:20). Ah, that men and women of this generation shall pray and call upon the name of Jehovah. We shall not keep quiet and being selfish in our secret places. (Isa 62:1-3). Jesus said we should pray like this "let thy kingdom come, thy will be done on earth as it is in heaven". One of the things God promised the church/saints is the transfer of Abraham's blessings. (Eph: 3:5-6)...

THE CURSED MAN BUILT A CITY

By Pastor David K. Aboderin Pt 1

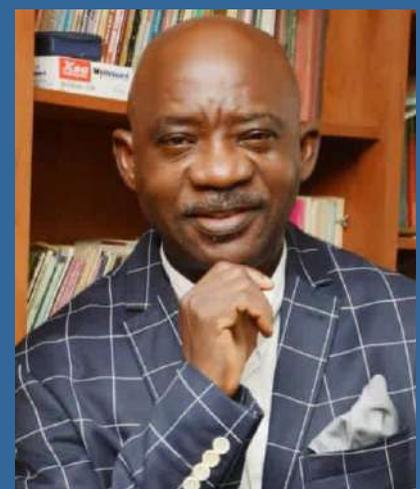

...and Cain knew his wife and she conceived, and bare Enoch who later built a city and called the name of the city after the name of his son, Enoch (Gen. 4:17).

Here we see the account of Cain who slew his brother Abel and God cursed him, so now you are cursed from the earth, which has opened its mouth to receive your brother's blood from your hand. When you till the ground, it shall no longer yield its strength to you. A fugitive and a vagabond you shall be on the earth. (Gen. 4:11, 12). Cain cried to God that the punishment would be too much for him.

In the account later in verse seventeen we noticed that the cursed person bore children, got prosperous and built a city. If a cursed person like Cain could do this, how much more you that Christ has redeemed from the curse. Never allow the devil to deceive you that your problem is as a result of an inherited curse. As a born again child of God, you are redeemed from the curse and released into Abraham's blessing (Gal.3:13-14).

The devil is a liar, Jesus called him father of liars and that there is no truth in him, when he speaks a word he speaks lies (Jn. 8:44). What the devil are still using to keep many

children of God under curses is lies. The devil has no new trick, the trick he used on Adam and Eve is still what he is using today...

The Danger of Roof Tops Corners Due to Strife in Marriage Pt. 2B

By: Pastor Christopher Ikebuwa

The under listed are some of the rooftop attitudes that Satan uses to scatter marriages, if not attended to on time.

- i. Practicing "To Your Tents O Israel: Sleeping in different rooms or on the same bed with both partners facing the opposite direction, due to strife, anger or bitterness.
 - ii. No More Eating together: One partner eating in the bedroom and the other in the living room. Placing embargo on sexual advances, due to unsettled offences partially tolerating the other, and no sexual intimacy due to adulterous acts.
 - iii. Repulsion To Sexual Intimacy for no just cause, or inexplicable reason, No more dressing in the same room in front of the other partner.
 - iv. Always Going Out Without Declaring One's Destination, Always eloping into pepper soup joints/ beer parlor at the slightest provocation by the other spouse, Visiting the hotels with harlots/ girlfriends or boyfriends to cool off sexual tension because of resentment.
 - v. Always Displaying Malice By Way of Revenge, (if he/she doesn't greet me, I won't). Always sulking Always needing the other partner to pacify or stroke "the spoilt little Mama's boy/Mama's girl" carried over from parents.
 - vi. Always Taking Lone Decisions and executing major plans without involving the other Partner or complete withdrawals of financial assistance because of offence.
 - vii. Hiding of Pay Packet, ATM Cards, remuneration/financial benefits accrued to one from work, Lack of
- viii. Embargo Placed On Usage Of One's Phone strangely coded, Changing of commonly used passwords.
 - ix. Deliberate Blocking of one's spouse from assessing or gaining access into his or her media social profiles.
 - x. Displaying 'Devil-May Care Attitudes' over matters of health of the other partner Refusal to declare one's state of health to the other partner, because of offence.
 - xi. Insert Pst Chris Pix
 - xii. Always Voicing Out Regrets and how it used to be in one's family background and deliberate setting of traps for the exit of the offended/tolerating partner from their marriage, e.g. "Let me know if we are still together in this marriage"; "If you can no longer cope with me, whatever decision you want to take is okay with me, I have told you to let me be, and if you are not pleased, it's not by force for us to live together. You can stay in the other room, after all this house is big enough to house us.
 - xiii. Always on the defensive over one's wrongs and covering the family's faults...

The Danger of Roof Top Corners Due to Strife in *Marriage* Pt 2c

The underlisted are some of the rooftop attitudes:

- xiii. Always threatening to slap or Met out Other Physical Abuses, due to offence/pride in accepting owns faults.
- Xiv. Deliberate Attempts to Arrival Late from Work and No more visiting of relations/In-law's place(s) together as couple. Friends or colleagues on this marriage voyage Know that Satan specializes in translating these rooftop corners attitudes into vehicles capable of conveying one marriage partner to a lawyer/court to instigate divorce against his or her spouse.

People who practice rooftop corner antiques are emotionally separated first before one person packs out of the house, either temporarily or permanently. Rooftop corner-antiques are marriage dividers and slippery killers of marriages. And so, if you have one or two of these unhealthy "rooftop corner" properties predominant in your life and

marriage, you had better do something fast about it now, in order to save yourself, your family and your marriage.

If you want to avoid losing your marriage, having being cobwebbed by Satan with any or some of the aforementioned rooftop syndromes, **YOU MUST DO ONLY ONE THING NOW! JUST START DOING THE OPPOSITE OF THOSE NEGATIVE ACTIONS OF YOURS.**

THE CRISIS OF FAITH Pt 1

BY APOSTLE VONNIE DAKEKU

Dear Friends, are you aware that, there's a growing crisis within the Christian faith around the world? How nation by nation, the percentage of Christian believers is shrinking by 1%, 2% even 3-4% annually in some nations?

The purpose of this article is to stir up the Church and challenge us to ARISE and be about our Lord's business! Part 1, will deal with the imperative to plant seeds of faith in Christ and introduce Christ to our children and youth who represent the future of the Church.

The Church of Jesus Christ should be aware and responsive to this current crisis. We must ask ourselves why this crisis exists and search out the reasons to find solutions. When studying some current trends I discovered two reasons that I want us to focus on.

One, people are giving up, that is, choosing not to continue as believers, and secondly people are choosing not to believe in God or have faith in Christ as the saviour. There is also an agenda from the enemy to literally steal, kill and destroy the faith in our children.

We have work to do, to make sure we influence them and lead them to faith in Jesus Christ. Apostle Vonnie Dakeku PixThe culture and moral shift

in society away from traditionally held Christian values and morals and its strong influence among the youth is very apparent according to Pew Research, Americas Changing Religious Landscape.

We cannot throw up our hands in frustration and give up. We must engage it. We must do all we can do to win our children and youth to Christ. Their eternal salvation is at stake if we do not. We must do our part as parents, elders and clergy to plant and nurture the word of God and faith in Christ in their lives. It is our foremost responsibility before God...

There's Hope & Refreshment in the Presence of the Lord

By Apostle Deb Stockton

"Let us press on to know the Lord; His going out is sure as the dawn; He will come to us as the showers, as the spring rains that water the earth." (Hosea 6:2) Like a warm spring day where light showers are falling, replenishing the earth with cool mist, The Lord offers us rest and refreshment for our souls. As we long for His refreshment on a daily basis, The Lord awakens the new life within us through the power of the Holy Spirit. His presence restores our hope He reinvigorates and enlivens our spirit through His Word, Prayer, Praise, and through Worshipping JESUS in spirit and truth.

The Lord wants His people to know Him intimately. His desire is that we seek Him with all our hearts. He promises that He will make Himself known to us. His presence offers us peace that passes all understanding that we may be refreshed along life's journey.

In the scriptures Peter exhorted the people of Jerusalem at Pentecost to return to the Lord to experience this peace...

"Therefore repent and return, so that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord." (Acts 3:19-20)

When we come to the Lord faithfully asking for His forgiveness we have the assurance that our sins are washed away. Jesus the sacrificial Lamb of God paid the ultimate price for our sins on the cross that we may be spiritually refreshed. Through Jesus act of obedience unto death He has removed our sins as far away as the east is from the west. As we think on God and his goodness, hope and the refreshment He promises. In the presence of The Lord is where we discover true rest for our souls!

The **CRISIS** of **FAITH** Pt 2

By Apostle Vonnie Dakeku

The word of God is our plumb line, our guide, our pattern for life, remembering that faith comes by hearing and hearing by the word of God, Rom 10:17. We who yet believe and are standing strong in the faith must not give up and must also encourage others to not give up but to persevere. Galatians 6:1 NLT, admonishes us that, "if anyone is overcome by some sin – in this case doubt and unbelief – you who are godly should gently and humbly help that person back onto the right path. And be careful not to fall into the same temptation yourself".

messiah, to deny creation. Humanistic philosophies, scientific facts, social and various religious constructs all deny God exists. They deny creation choosing the big bang theory and evolution as the basis of the beginning. Philosophy, sociology and humanism are teachings that are man inspired and do not support the existence of God.

There are people all around us struggling in various ways to hold on to their faith in God. They are questioning is God really real? Does God really exist? They are questioning, do I really need a savior to save me from my sins? Was this man Jesus really the son of God? Did Jesus really die on a cross and now I am to trust my eternal salvation to him?

People are questioning everything. All types of knowledge are available through social media and the internet.

As we grow in knowledge, people of all ages around the entire world, are being challenged by science to deny God, to deny the reality of God, to deny the bible as the inspired word of God, to deny Christ as the

UNDERSTANDING THE WORKING OF GOD

Pt 2

By Rev. Bukola Denton

When it is moment for you to move understand it and move, Jesus in the wilderness at every stage gave the right answer to the devil. He didn't send him away at first (Matt 4:1-10)

Why you are to keep tolerating that friendship is for a purpose don't give up on that individual yet.

You are still in that ministry for a particular reason and season so keep serving. Others may leave but you are different from them. Joseph was instructed to take the mother and the child away, The wise men were asked not to return to Herod. Is it that God is afraid of Herod or can fail? NO.

He wants it to be vivid that Herod is not the Almighty as he presented himself to the

Israelites. God shame him before the people that put all their trust in him, So they can know that God is the All-knowing and all powerful. Let your steps be directed by him for great achievements.

Stop running the ministry or your business or your family affairs by your strength.

Release everything to God and He will direct your path and will give you success on every side.

The Cursed Man Built A City Pt 2

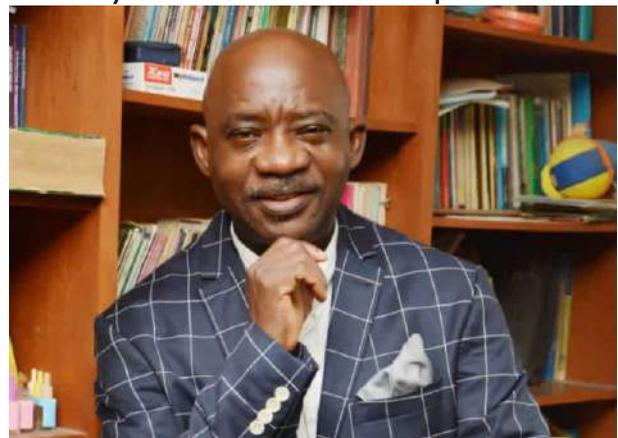

By Pastor David K. Aboderin

The question he put to Eve was, "has God said,?" So you really think God means what He said? Do you really think God's Word is true? Are you really sure that you have been redeemed from the curse? How do you know when you are not yet seeing the blessing? Are you sure when what you prayed for is not yet coming true?

Insert Pst David Aboderin Pix You see many have been confused by the devil and he has put fear and doubt in them that they cannot experience the victory of God. God is not the author of confusion. If He says it, He will do it. "For God is not the author of confusion, but of peace." (1 Cor. 14: 33).

You possibly might have gotten yourself into covenants in the past or your parents or grandparents might have possibly transferred curses unto you and you are seeing the traces of it. The only way out is the Word of God. You have to believe the Bible

and pray yourself out of it in faith. You just have to believe you are free to enjoy the blessing from God. There is no other way out. Your praying again and again whenever another prayer point is set over it will never bring deliverance. "Jesus said to him, "If you can believe, all things are possible to him who believes (Mk. 9:23). Christ has redeemed you from the curse and He has released you into the blessing. Believe it no matter how you feel. You are blessed in Christ Jesus and you can achieve the impossible.

Grateful Heart for the **NEW SEASON** Pt 1

By Pastor Israel Egesionu

Text: Col. (3:16-17; 1) Thes (5:16-18 ;)
;) Luke (17:11-19)

Introduction:

Every season, manufacturers update their products and produce better versions of their products! Likewise, we need to be updated by the manufacturer to be a better version of us in him. We don't put on dirty clothes on washed bodies! Rather we put on New and clean clothes on clean bodies! New wines require new jars likewise new clothes can only join well with new ones. No wonder those that fear God have an undeniable attraction to each other.

This is a new season; it is actually the first month in the Jewish calendar. Spiritual Genesis happen a lot in September as August is the ending of a new phase. The most vital tool for this spiritual season is not just the grateful heart but the thankful one as well, Note that the kingdom repentance is incomplete without confession and faith is incomplete without works. Likewise, gratitude is not enough until we express it through thankfulness.

Other ingredients of thankfulness are as follows using the acronym of **THANKSGIVING**

Testifying: Psalm 34:1, 100, 150 encourages us to talk about his goodness always! It's actually the express symbol of our victory and manifestations of the spirit of Jesus Christ even the prophetic Grace that initiates creation power. (Revelation 12:11, 19:10)

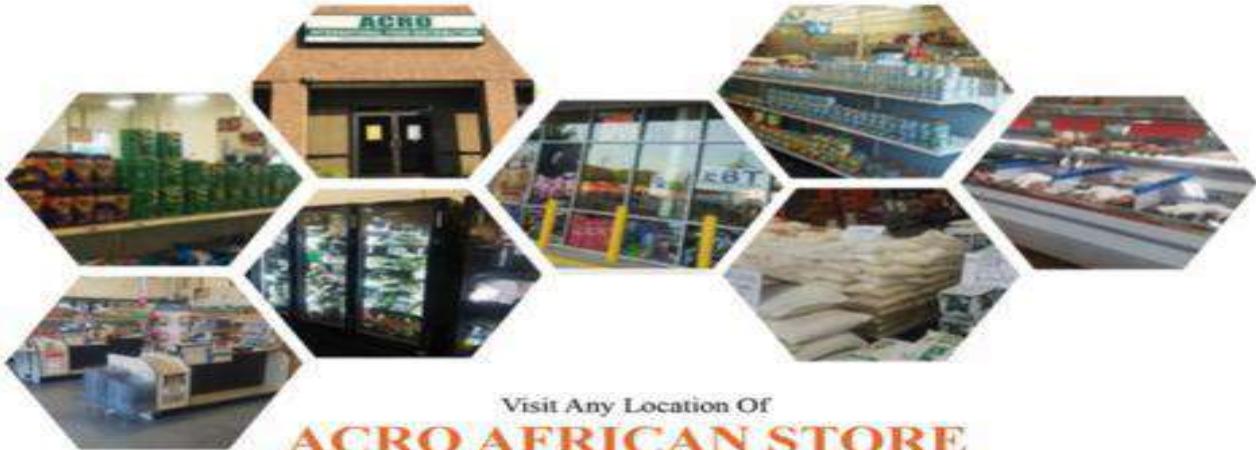

Humble before His presence and amidst the brethren, to humble us is what repeats classes in the spirit (Deut 9) Insert Pst Israel Egesionu Pix Appreciate God privately and publicly and evidence this by appreciating relationships especially spiritual relationships around you. If you can't appreciate others, you can't appreciate God. It's like love, Love for God is measured by how we give and forgive not just nice people but ingrates too (1 Peter 2:18-20)...

GIVE, GIVE, GIVE, ASK GREAT MARKETING MODEL

By Dr Deji Folutile

When it comes to life and business, many of us believe so much in getting, getting and getting. What can you give me is the mantra of many people in the world today. We are so consumed by getting mentality that things have become so complex and difficult!

The truth is that the world is tired of go-getters. But the world is in great need of go-givers. The ancient word of Jesus says it is more blessed to give than to receive. We have to go back to this concept to maximize our lives and business. Think of it. When people come to you with more and more pressure to get from you, how do you feel? Pissed off, I guess. The thing is that go-getters are boring and pain in the ass.

In the world of today, go-givers are the champions. They think all the time about contributions. They want to add value to you, They want to pamper you, They want to make you feel loved and important, They give you attention, appreciation, affection and acceptance. No wonder, these people have a royal road to your pocket. You feel good parting with your hard earned money to them. You feel the least you can do for them is to patronize them. This is an amazing model in selling your products and services.

Give, give, give, ask is the winning marketing model in today's world. It amazes me that many organizations and sales people are yet to embrace this model. They keep pushing their products and services at you at every available opportunity. For example, when you open up a social media platform like a WhatsApp group, the first thing the go-getters of this world do is to post offers upon offers of the products and services they are peddling. They don't think of how to add value, They don't give a damn about contributing, They just want to sell, sell, sell and sell...

Are you there? Try to be different. Offer value, Love people, Help your customers, inform your customers, Bless your target audience, Give attention, Dare to appreciate, Scatter

affection here and there, Practice acceptance endlessly, This is the strategy of the winner they don't lose. They don't fail, They don't get frustrated, They don't lack winning ideas.

Why?

Because givers never lack!

Grateful Heart for the **NEW SEASON** Pt 2

By Pastor Israel Egesionu

Text: Col (3:16-17; 1) Thess. (5:16-18) Luke (17:11-19)

Nourish relationships and don't only be a recipient in the kingdom, find functional kingdom ways to show appreciation and reciprocate divine goodness. (See Rom 12:1, Gal 6:5-6, Heb 13:14-17) That's how grace is furnished and nourished even by serving under it.

Be kind to others: Everything we have or received is by Grace and mercy and the best

way to show appreciation is to be kind especially as your Heavenly Father is to you (Mat 5:45-end)

Be Faithful in kingdom roles, Do not jump spiritual bridges. Our God is one, See every life opportunity as a privilege to prepare and fulfill Kairos moments (1 Cor 4:1-2, 2 Tim 2:2)

Understand his will for what he allowed. There's purpose in it, Don't waste the pain (1Cor 10:13; Eph 5:15-17).

Labor under divine labor, (1 Cor 15:9-10) Give him nothing that has no costs to you.

Spiritual dimension of worship is based on the knowledge of the will of the one we serve, Service is not about us or about feelings rather It is about knowing that produces fruits- (John 4:22-24 See also Ex 8:1). We are freed to serve, blessed to bless, taught to teach, saved to save, Once we divert from this route, we are wicked and ungrateful (Mat 25:14-29). Replicating the Grace we have received and manifesting the dimensions we caught are the greatest ways to express gratitude.

Summary: Many people have many reasons not be thankful. But God hates it, if you also hide what he gave you or treat it loosely, you are an ingrate reasons notwithstanding. Let us ride today and appreciate him even for things we do not know about HALLELUYAH

ABOUT THE BOOK

DELIVERANCE FROM DEMONIC COVENANTS AND CURSES

This is a ground-breaking book. Multitudes, all over the world, have grappled with problems emanating from demonic covenants and curses. Hamstrung by demonic bondage, victims of covenants and curses wonder why they are mysteriously programmed to live as prisoners of the kingdom of darkness. With unusual prophetic insight, uncommon application of scriptures and a compelling presentation of true life experiences, the author guides the reader and shows the way out of bondage into glorious liberty. The prayer points are explosive; the exhaustive nature of the book is quite illuminating, while the style makes easy reading. This book is a must-read for those who want to be free from satanic bondage and those who want to teach others.

Most Christians walk in deception concerning the realm of the spirit, some are willing to go deeper and walk in freedom and others aren't in that place, Hopefully not for long. This book is an eye opener especially in the different levels in the demonic agenda.
