# THE DANGERS OF ROOFTOP CORNER IN MARRIAGE (Part 1)

*Pastor Christopher Ikebuwa*

**I am not an advocate of one not moving away from an abusive marriage**

"It is better to dwell in a corner of the housetop, than with a brawling woman in a wide house" (Proverbs 21:9) said Solomon, AND NOT GOD.

Many marriage partners often quote this scripture, especially when one partner is particularly so cantankerous and when the usual peace in the home seem to fade away. This comes up many times during question and answers sessions in couples' special meetings.

It's not everything in the Bible that is God's perfect will for us to observe or to do! True! All that has been written in the Bible is written for our examples, to the intent that we should not lust after evil things (1 Cor. 10:6 NKJV) the good News Translation (US Version) puts it this way: all this is an example for us, to warn us not to desire evil things. Discretion is highly important in marriage and we all should know how properly we ought to make communication the one-top-ten wisdom to apply if we want to have a successful marriage.

I am not an advocate of one not moving away from an abusive marriage, especially when there's threat to life. One's life and the peace he or she should treasure and protect are extremely important but the question is, when the one who runs into the rooftop corner fails to guard his/her mind, Satan can gain an upper hand to do the worse. We have been told, that things have been written down to warn us not to desire evil things. In other words, we ought to think well. What to guide us in our thoughts must come from God's Word and His Spirit otherwise the decision we take out of our pains and disappointments will be very detrimental to our faith. Many, who moved into their rooftop corners, are not all the same free as they had envisaged, due to what they still harbor in their minds.

# LIFE IS A TEST (PART I)

BY PST COMFORT

Life is a series of test every man is in a test. Testimonies are determined by the ability to pass your test. God does not set for us the examination we cannot pass, he does not test us so that we can fail, but he tests us so that we can change class. Nothing is over until God says so.

Lack of trust in God brings struggle to man. God will not give up on you if you don't give up on yourself.

God tested Abraham and Abraham passed the test which afterwards he became the father of nations. Whether we know it or not, we are all writing a test, if we pass we move to the next class and if we fail we repeat class.

# “THE GARMENT OF HUMILITY”

## Part 1

By Apostle Vonnie Dakeku  
Kingdom ARISE Network and  
Churches, Ghana

There is power in humility. It was because of Christ’s humility, humbling himself to death on the cross that gave us the Power to

become the sons and daughters of God.

Meekness or humility is the attitude or quality of heart, where a person is willing to accept and submit without resistance to the will of

God.

When you think about the power in humility, you must remember Moses, who was described as the most humble and meek than

any man upon the earth. (Num 12:3)

Because of Moses love for God, his faith in God, he was obedient to God, faced evil Pharaoh and led the stubborn Hebrews out of

Egypt. In the face of such challenges, he served, obeyed God and walked in the grace of humility. Rom 13:14 instructs us as believers

to “Put on Christ”.

To put on Christ is to wear the garment, the Grace of humility.

To put on Christ, is to be full of the power of LOVE of God.

To love God is to HUMBLE yourself to His will and His word.

Without Love, you can never wear Christ’s garment of humility.

1 Corinthians 13:4-5 CSB — Love is patient, love is kind. Love does not envy, is not boastful, is not arrogant, is not rude, is not self-

seeking, is not irritable, and does not keep a record of wrongs.

Phil 2: 1 MSG translation, “If you’ve gotten anything at all out of following Christ, if his love has made any difference in your life,

If being in a community of the Spirit means anything to you,

If you have a heart, if you care—then agree with each other, love each other, be deep-spirited friends.

Don’t push your way to the front; don’t sweet-talk your way to the top.

Put yourself aside, and help others get ahead.

Don’t be obsessed with getting your own advantage. Forget yourselves long enough to lend a helping hand”.

1 Peter 5:5-6 CSB In the same way, you who are younger, be subject to the elders.....

## OF OUTSTANDING GOVERNMENT CONTRACTORS IN NIGERIA BY PASTOR TOMI VINCENT PART 1

Doing business with government has remained one of the most veritable means of mega profits for a lot of businessmen and managers.

It cannot be over emphasized that many entrepreneurs who are conscious of the benefits of doing business with government agencies have grabbed the opportunities with both hands to improve the fortunes of their businesses. Government, in this respect, includes ministries, departments, agencies or parastatals, Federals, State or Local governments.

Who are these people? What make them qualified for such profitable contract? This is the very reason for this manual. It is for

everyone who might otherwise have counted themselves out of winning government contracts. This manual is your guide to the promise land. Take heed of the tips you will come across. Act on them and you can be sure you've left behind for good the era of your merely wishing and dreaming of becoming a government contractor. From now, you'll know definitely what next to do.

In a nutshell, all you need is a reliable guide and knowledge of where to start, what to do and where to go. You'll get necessary clues in the manual. So this book is designed to show you how and inspire you to become a mega success as a government contractor.

And with the right mix of positive attitude, self-confidence and fear of God, you can become that successful government contractor you've always dreamt of being. Remember whatever the mind can conceive, it certainly can achieve. Go! Start now. Just do it.

Secret 1: Successful Government Contractors Possess Die-Hard Confidence In Themselves No Matter The Circumstance

- ***"Nothing splendid has ever been achieved except by those who dared to believe that something inside of them was superior to circumstances". Bruce Barton***

Stop Doubting

Believe you can become a great and successful government contractor. It is sad and surprising that many people cannot imagine or see themselves as one.

Many people still look at doing business with government as something meant for very lucky, connected or selected few. And on the basis of this rather wrong perception, the large majority sits by and watches those few do business and make huge money from government. This wrong perception is further fueled by the general notion that government officials are corrupt and cannot be trusted

to be true and fair in the distribution of contracts to those who are competent, except those who have connections with them or are

willing to play ball by giving bribes or engaging in shady collaborations. But the good news is that there are lots of people who had

not known anyone in government, yet have bidden for government contracts that run into thousands and millions of Naira, sometimes

billions. And they won! Why not you?

As a matter of fact, you don't have to know everything to become a contractor. All you need is an idea of what to do, where to go, who to collaborate with and how to mobilize the appropriate people and machinery for the contract. However, this does not mean one

can become a charlatan ("jack of all contracts, master of none"). Concentrate on the area where you can proficiently, profitably and

effectively make a mark as a contractor. Carve a niche for yourself and set reputation overtime as somebody who is trustworthy to execute any given contract effectively and efficiently in the area of your strength.

Secret 2: All Successful Contractors Are Sensitive To Information

" A wise man will bear, and will increase learning; and a man of understanding shall attain unto wise counsel"

Proverb 1:5

Information Is The Key When You Have Business With Government Establishments

Treat news and events as potentially lead to business. What seems to be an ordinary policy statement made by government functionary can open the flood gates of business with government. For instance, a policy statement that a road will in future be constructed in a particular area or location, is an indication that there will be business for contractors and suppliers of services and products related to road construction.

This is not strange to those who are making millions out of government contracts.....

## THE DANGERS OF ROOFTOP CORNER IN MARRIAGE (Part 2)

### **Pastor Christopher Ikebuwa**

A man or woman can be free from an abusive partner, but may not be free from God's judgement if he/she so harbors

bitterness and unforgiveness. This is the greatest danger that many have failed to see and run away from. They escaped the

danger of being physically and emotionally abused/killed, but enter into the bondage of Satan through unforgiveness.

A true Christian knows what that means. Heaven becomes a non grata for the person that holds unforgiveness in his or her heart.

Be careful! Rooftop corner-antics are more of marriage dividers that have killed many marriages of one-time sweet

lovers, than just merely yearning to have a breathing space when conflicts arise. I have known (and I am very sure many

people heard or seen) marriage partners who adopted the rooftop corner-safe haven, that ended up losing their lives through various happenings.

Let me mention just one here! There was this man who was well known to me. He was the only convert we had when we

had the inauguration service done on February, 11, 1996. He grew up to become the head of our Singles Fellowship and

later married to a lady in church. No sooner than they had their first child that they started to have issues in their marriage.

This brother would leave home few times to his rooftop escapades, until when for a long time he didn't come home.

“

***No matter how beautiful or handsome looking we are, each of us has a touch of our past that formed some major character traits in us.***

Upon his return, his wife had another man. He couldn't gain access into his home.

I tried mediating between them, but he told me not to bother. Twice I saw him with two different women driving towards

a motel within the Estate where we live. Not long after, we heard that this brother died. It was reported, that he contacted the

dreaded disease HIV AIDS. And that was it! I have always said that the serpent doesn't walk straight to get his prey.

Rooftop corners may not necessarily be safe all the time, except, if those who find themselves there have learned early to

acknowledge God in their lives in that permissive way. (Pro. 3:3-5)

## Put It To Heart Part 1 By Rev Bukola Denton

It is so amazing that we believers easily forget God's command, instructions, and prophecies when fulfillment, peace of mind, and breakthroughs come into our lives, homes, and businesses. Today I will be opening our eyes to some things which I know will be of benefit to us now and in the future.

### POINTS TO GUIDE YOU

When you get instructions, commands, or prophecies from the Lord, the following points will help you not to desist from it so as not to go away from Him.

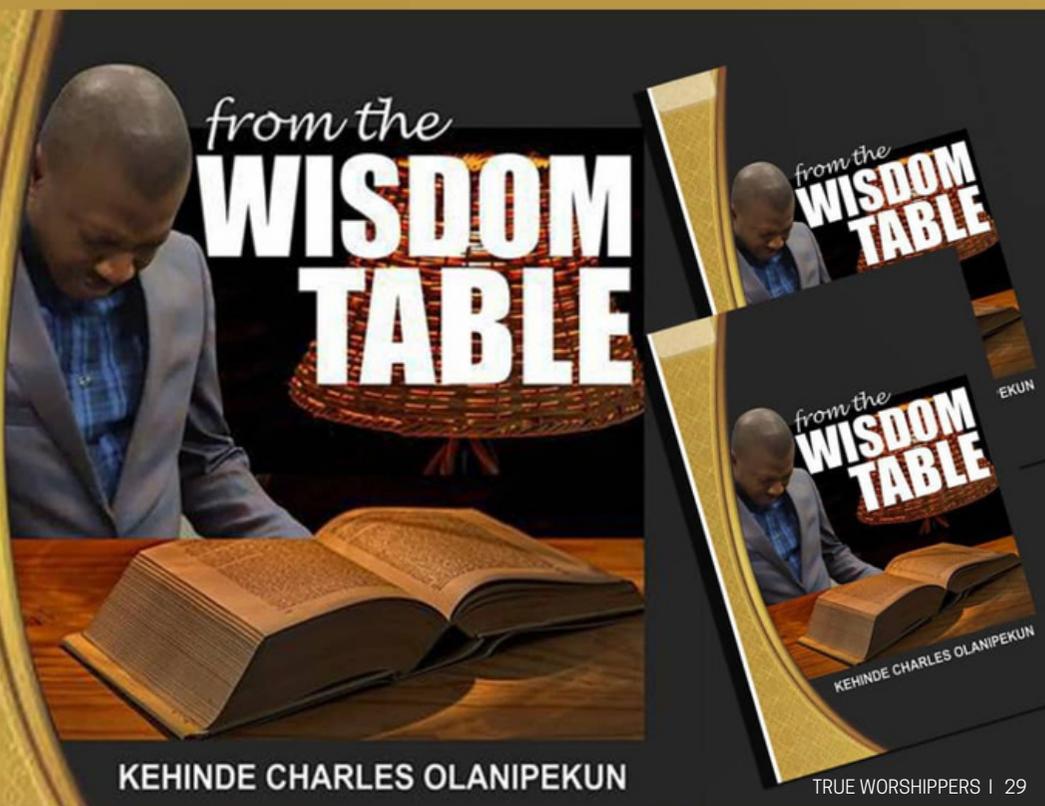

1. Write it down (you must have a prophecy note) Write the vision down, and make it plain.
2. Do not stop praying and fasting. Your power gets you nothing. He gave everything using whoever is available for you.
3. Keep studying the word of God. The word shed more light on your path.
4. Don't leave the place of His presence/Alter. You will always have an encounter.

By strength shall no man prevail (1Sam.2:9)

Samson's case was just a "sorry one" because he was not well guided by his parents. He was left to himself.

Parents, you must not forget how you started the journey of your life and your children. God is always there at the beginning, don't take Him out of the journey as you move.

This was how Saul started but ended up consulting the medium has no free access to God. Yours must not be. Watch and pray (Matt 26:41) Do not be carried away by success syndrome Judges 13:1-18; 14:1-15

# INITIATE THE FIGHT

**(PART 1) BY PASTOR FEMI OMOTOSHO**

To initiate a fight simply means to begin or to start a combat. It means to commence in a battle with the intention of opposing a physical or a spiritual force that seems to be pending or lying low somewhere around the corner. Fighting has to do with engaging in a struggle that involves conflict. A fight can either take a physical form or that of words. Nothing just happen on its own so it is expedient for you not just to fight but also to fight appropriately towards the right direction. There is a proverb that says "When you see a man running, it is either he's pursuing something or on the other hand something is definitely pursuing him because nothing just happens" Sadly in the world of today, we are known for fighting our brothers, sisters, relatives, neighbors, friends and the people around us but we all miss it because these fights at times might really not be needed or necessary.

To be honest, it is good to fight for your right whenever the case arises but it is also wise that you don't major in your minor and you are also never expected to minor in your major fights.

Fighting other people is cheap. Fighting yourself is the hardest and it pays. Fighting for your finances, health, ministry, career and your upgrade has to do with a personal violence within you as an individual. Fighting yourself has nothing to do with low self-esteem because it is a fight within yourself in order to bring the wealth from the inside of you.

# DESTINY DESIGNER

BY PST JOEL ELIJAH

Faith is the ability to see the unseen in scene. Faith is the substance of things (your expectations) hoped for the evidence of things not seen (Heb 11:1).for we are saved by faith. And whoever that comes to him must believe he is and he is a rewarder of those who diligently seek him.

We must believe with our heart and speak with our mouth what his promises are for us who believe concerning the issues of our lives.(Rom 10:10).The force that drives faith is the hope we have in christ Jesus. What Abram saw before his name was changed was the hope laid up for him in the sky. He has to use his faith to activate it or bring it into manifestation. Meaning you have to see your destiny (his promises) in His word with hope and believe in your heart by faith to unveil your glorious destiny. (1cor 4:1-7).

The lord Jesus was teaching his disciples and said "Be it to you according to your faith". By faith Abraham become the father of many nations, by this same faith Sarah conceived and bore a child in her old age having pass the age of child bearing. Beloveth what you believe is what you become, do not accept or settle with what the doctor or your situation is telling you but hold on to what his word said which is the finality. Whatever you desire and believe and prayed for is yours if you doubt not. (James 1:6)Whatever you profess and claim according to the word of God is yours.(mark 11:24).

By faith we understand that the world is designed by the Word of God. Things created were made through the RAW MATERIAL of faith. We gain access/obtain or reach our destiny by Faith. The destiny the lord has designed in salvation is only accessible by faith. Faith is the fact securing the reality of who you are in Jesus. (Roms3:22).the heros of faith received their promises by seeing them.

The power of faith can so design your life in a way that can surprise the man who believe. Faith is capable of changing your shame to glory. By it elders obtain a good report. How? Studying Noah, you will see that he received in his spirit man the "Design of the Ark". (Gen 6:14-16).He showed him how to make the ARK of salvation/Deliverance. By it, he secures the future, expected end, the substance of the things (salvation) hoped for. Beloved faith is not just your trust or believe in the word but seeing the picture of your glorious world, framing the future of anything you want, be it in business, marriage, family, ministry and career. Faith in the scripture that your seeds(children) shall be mighty and successful on the earth as a covenant keeper is based on the word you captured. (ps112).

***"We must believe with our heart  
and speak with our mouth what  
his promises are for us"***

Imagine his promises for you having sufficiency in All things(1cor 9:8).I. E to "Increase your store of seed and enlarge the harvest of your righteousness". God bless you richly. The lord will perfect all that concerns you in the mighty name of Jesus christ.

Yours in vineyard.

# The Grace of Humility

## Part 2

By Apostle Vonnie Dakeku

All of you clothe yourselves with humility toward one another, because God resists the proud but gives grace to the humble.

Humble yourselves, therefore, under the mighty hand of God, so that he may exalt you at the proper time,

Here we see it is God that is doing the lifting up, the elevating, and the promotion. Why? Because God honors humility and He hates the proud.

- Proverbs 3:34 KJV — surely he scorned the scorers: but he gives grace unto the lowly.

- The Lord wants to remind us that in His Kingdom, Humility is the spiritual currency for promotion and blessing.

(Psalm 138:6) For though the Lord is high, yet has he respect to the lowly bringing them into fellowship with Him but the proud and haughty He knows and recognizes only at a distance. In today's world, pride, ego, self-promotion to the disadvantage of others is the culture in operation.

But this culture is contrary to God's Kingdom culture. It's easy to get caught up in the system of today. My beloved, beware! Let us always be mindful that God's ways are higher than man's ways and we belong to that Higher Kingdom.

PROV 6:17-19 LISTS 7 THINGS THE LORD HATES, LOOK AT #1.

(Proverbs 6:17) A proud look, a lying tongue, and hands that shed innocent blood, a heart that devised wicked imaginations, feet that is swift in running to mischief, A false witness that speaketh lies, and he that soweth discord among brethren

***The Lord wants to remind us that in His Kingdom, Humility is the spiritual currency for promotion and blessing.***

The lord God hates pride; It is the opposite of who he is. Pride is not humble, does not submit, and seeks its own way. God knows the depths of wickedness pride has caused and can cause. Because of pride Lucifer rebelled against God.

(Isaiah 14:13) for thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God, I will sit also upon the mount of the congregation in the sides of the north, I will ascend above the heights of the clouds, I will be like the most high.

(Proverbs 16:18) KJV Pride goeth before destruction and haughty spirit before a fall.

- Because Of Pride Lucifer Rebelled Against God
- Because Of Pride There Was An Attempted Coup In Heaven.

- Because Of Pride, 1/3d Of Gods Angels Were Deceived And Warred Against God

Just imagine the chaos, harm and eternal consequences of pride. To be humble is to also recognize that all of our sufficiency, our intellect, abilities, gifts, and our very existence come from God..... To be continued on page. 36

# Remaining Relevant In The Current Move of God- Part 4

By PASTOR Israel Egesionu

Beware of wrong mixtures as it's more dangerous (Hosea 8:8-9)

1. Peter asking for three houses: Law (Moses), prophets (Elijah), and Jesus (Grace) houses to be built in same arena is an

abuse of grace! Luke 9:

2. The two guys going to Emmaus with so much info about the messiah and still unable to discern him bodily or on sight is

the climax of religiosity! They talk church talk but by experience they deny the power! Until Jesus opens their eyes the words they heard not being mixed with faith does not profit but rather condemns - Luke 24:

3. The two sons of thunder prayers for fire to finish a city that resisted them and quoting a phrase from Elijah's gospel is a sign that they don't understand the current move of God and that they are no longer relevant in that realm. Read Jesus response to them- Luke

4. Peter almost missed it. His lack of apprehension of the updated version of God's mandate allowed his to just introduce it

but he did not play key role in that era. See Acts 10: (meanwhile it's been his portion or Plan all while)...

5. Now, the significance of God's current moves does not alter his unchanging nature. It rather exposes our limited insight

into his unlimited mindset. Exodus 19:5 and 1 Peter 2:9 shows that his mindset has always been to build a generation of royal priests and using the Jews was a case study as the gentiles were always in his design. We see, pray, prophecy and know in parts... 1 Corinthians 13!

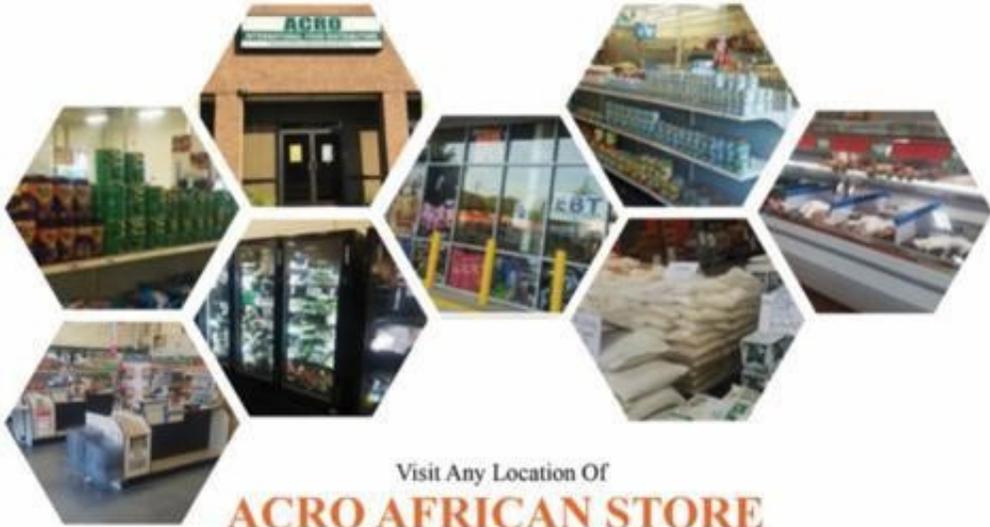

6. Some wisdoms are only shared to the perfect! At a certain energy and capacity level we lack ability to apprehend fully the mind of God Hebrews 5:14-16! So our prayer requests is to align, increase in capacity and patiently grow into the fullness of understanding his agenda Hebrews 10:36-39

7. Human eyes and frames due to weakness and inherent infirmities are unable to capture fully the things of the spirit that only the Holy Spirit reveals - 1 Corinthians 2:7-14

8. The Essence of the Holy Ghost ministry is to help us out of this limitation through priesthood - Romans 8:26-27, Hebrews 5:1-5!

9. He fulfills this role by seizing our independence and introducing a puppet like dependency on his sovereignty in all aspects of our lives John 21:15-18!

Thus we become Jesus as we continually behold him - 2 Corinthians 3:16-18 ..... To be continued on page 44

# The Grace of Humility Part 3

**By Apostle Vonnie Dakeku**

Pride is insidious and begins with a small seed that grows, most people don't start there but over time, when given power or positions of authority, our egos, our sense of importance begins to grow.

(Proverbs 16:19 KJV) Better it is to be of a humble spirit with the lowly, than to divide the spoil with the proud. It is better to lower ourselves in our own estimation before God than to deal with us.

Here we read sound wisdom from Apostle Paul in (Rom 12:3) "For through the grace given to me, I say to everyone among you not to think more highly of himself than he ought to think but to think so as to have sound judgment as God has allotted to each a measure of faith". The humble person forgoes his/her ego, their self-importance, the "big I and little you" mentality, and puts himself

under subjection under the Lordship of Jesus recognizing that if we boast in anything or anyone, we boast in the Lord. God has set people up in positions of authority in His Church to establish His order. But we are to never control, abuse, manipulate anyone.

Remembering that God is in control and we are his stewards only. When you look at the world today, we see the spirit of Pride and the results of pride in operation. Leaders around the world are being exposed and falling due to their pride because they did not put on the garment of humility and become a servant of God, leading with integrity and Godly principles while recognizing it is God who sets up those in authority.

Pride and self-righteousness have a price and ultimately can lead to destruction of yourself and/or others. Pride will cause you to boast and cause you to be snared with the words of your own mouth, like King Nebuchadnezzar who in a moment of arrogance, boasted in his own strength and ability as the source of all his wealth versus glorifying God, and the judgment of God was upon him for 7 years.

In (Mat 20: 25-26) The sons of Zebedee were jockeying for position of who would sit at Jesus left and right hand (positions of power and authority) when he came into his Kingdom but Jesus called them together and said, "You know that the rulers of the Gentiles lord it over them, and their high officials exercise authority over them.

Not so with you. Instead, whoever wants to become great among you must be your servant, and whoever wants to be first must be your slave. (John 12:26 KJV) If any man serves me, let him follow me and where I am there shall also my servant be if any man serve me, him will my Father honour. To be a servant of Christ is to wear the grace of humility and serve God faithfully. In so doing, there is honour, promotion and blessings from God our Father.

God richly bless all of you. Amen.

# TOP SECRETS OF OUTSTANDING GOVERNMENT CONTRACTORS IN NIGERIA

## Part 2

by TOMI VINCENT ESQ

As a matter of fact, you don't have to know everything to become a contractor. All you need is an idea of what to do, where to go, who to collaborate with and how to mobilize the appropriate people and machinery for the contract. However, this does not mean one can become a charlatan ("jack of all contracts, master of none"). Concentrate on the area where you can proficiently, profitably and effectively make a mark as a contractor. Carve a niche for yourself and set reputation overtime as somebody who is trustworthy to execute any given contract effectively and efficiently in the area of your strength.

Secret 2: All Successful Contractors Are Sensitive To Information

"A wise man will bear, and will increase learning; and a man of understanding shall attain unto wise counsel"

Proverb 1:5

Information Is The Key When You Have Business With Government Establishments

Treat news and events as potentially lead to business. What seems to be an ordinary policy statement made by government functionary can open the flood gates of business with government. For instance, a policy statement that a road will in future be constructed in a particular area or location, is an indication that there will be business for contractors and suppliers of services and products related to road construction. This is not strange to those who are making millions out of government contracts. To get relevant information about potential government contracts, two levels of approach are suggested namely the direct and indirect route.

### Information Is The Key When You Have Business With Government Establishments

Direct information comes through government advertisements, gazettes, news reports, requests for expression of interest, requests for bidding, etc. While the indirect sources will include budget speeches, policy statements, recent laws, news in and around government offices and sometimes leads from rumors (since some rumors have potential truth, exploring that potential could become useful leads).

SECRET 3: SUCCESSFUL GOVERNMENT CONTRACTORS ARE ALWAYS PREPARED OFFICIALLY

"Chance favors the prepared mind" Louis Pasteur

Obtain All Necessary Registration Documents Properly

Most government departments or agencies usually request for evidence of business registration such as Certification of Incorporation or Certificate of Business Name Registration, Certified True Copy of authorized share capital (for Limited Liability Company) and a Tax Clearance Certificate, among other documents. Therefore, as a contractor, you are advised if you have not done so, to register a Business Name or better still incorporate a Limited Liability Company.

Most government departments or agencies usually request for evidence of business registration such as Certification of Incorporation or Certificate of Business Name Registration, Certified True Copy of authorized share capital (for Limited Liability

done so, to register a Business Name or better still incorporate a Limited Liability Company. You are also advised to regularly update your tax record, obtain a VAT Certificate and file Annual Returns on your company at the Corporate Affairs Commission. Remember having the required documentation will confer on you the image of preparedness.

As a matter of government policy, money is rarely paid to individuals but to registered business concerns.

It is therefore advisable to use your own registered company for any transaction with the government. Otherwise you may be at the mercy of anyone who “lent” you the company you used for the contract. For instance, when payment check is issued in the

name of the borrowed company it simply means you have to be vigilant and monitor the fund in that company's account to prevent

undue loss of the fund.

**Secret 4: Successful Government Contractors Are Sociable And Accessible**

- “Choice, not chance determines destiny.” Regina Brett

**YOUR CONTRACTS KNOW WHAT YOU DONT**

Knowledge and the empowerment it brings are acquired through information. You therefore need to know the various government agencies, their portfolio and areas where your business or service could be relevant or required. Don't assume your services are not needed until you have made exhaustive enquiries from the appropriate offices.

For this purpose, the need to make proper contacts cannot be over emphasized. Sharpen your networking skills and work your contracts well without becoming a nuisance. Also keep your ears to the ground. Crucial information has a way of being found at the most uncommon places.

To stay ahead of competition, let your antennae be very sharp and receptive. Information has a considerable weight and worth if you are to be involved in government contracts.

**Secret 5: Successful Government Contractors Never Give Up**

- “The worst bankrupt in the world is the person who has lost his enthusiasm” H.W. Arnold  
**RESILIENCE PAYS**

Be resolute and determined in your resolve to do business or render service. For instance, if from enquiries you are told your business or service is not directly required, find out whether there are other variants of needs for your business of services. In other words, you have to be ready to diversify or exhibit some dynamism and creativity. Sometimes your patience could be stretched, but make sure you do not give up.

**Secret 6: Successful Government Contractors Are Adept At Presentation Skills**

- “Every job is a self-portrait of the person who did it. Autograph your work with excellence.”

# REMAINING IN THE CURRENT MOVE OF GOD PART 5

BY PASTOR  
ISRAEL EGESIONU

10. By walking in his updated knowledge and wisdom we are able to walk in sync with all the Saints as we become

cognizant of the various dimensions of kingdom agenda and how or where we fit in- Ephesians 1:16-end

11. Because we're called individually and prepared individually and collectively, the core work is done in the unity of a

bodily figure called church and we must labor to preserve the unity of the body!

12. Because we're individually valued at various seasons to join same farm, we must not only work in unity, we must

understand the dynamics of how our roles interact and interface and the peculiarity of the reward system!

It's crucial to note that we must jump into what God is doing now or be found opposing God ignorantly!

It's crucial to note that once a reality appears, the picture disappears, except if the reality gives express expression to the picture in the following instances:

1. Jesus is that Passover lamb and once he's sacrificed, we don't have to sacrifice any lamb any longer except to offer our

own lives as a living sacrifice - Romans 12:1-2

2. Our Lord's prayers is a real prayer guide and the recital cannot replace the actual experience

3. The physical Warfare of the Old Testament is presently captured in spiritual warfare and blood and fire and real death

still happens as a result - Isaiah 9:7-9, 1 Timothy 1:18, John 12:24

4. Passing through the Red Sea was a form of baptism and was retained as Jesus spoke of the righteousness fulfillment capacity of the act

5. Holy communion is a form of covenant that captures the eating of the sacrifice by the priests and was saved in the New Testament as a form of reminder of the already finished work of Jesus Christ! It was first offered by Melchizedek but is actually the body and blood of Jesus Christ that purifies

6. The three phases in the tabernacle ( outer, holy and holy of holies) are still realms in the dimensions of priesthood and still experienced today

7. The temple although still existent in the physical (church) is still our true reality both as individual worshippers and collective congregants and neither displaced the other!

# the Power of TWO

## Pastors Arnold and Ola Ogunmoyero

The world that we live in wait until things are bad before seeking for repairs. Couples wait till divorce before they seek for help. We have help groups for the divorced, separated, even the widows, and widowers but we don't seem to think that we need a support group for the married.

In our community, we say that "you need to pray for bad situations to turn around, and that you need to pray for good things to continue to be good."

The power of Two is a couples' Ministry borne out of the desire to work on good marriages to continue to remain good.

It is a forum for married couples to come together and rob minds together in order to help one another in making the best of our marriages; "As Iron sharpens iron, so one man sharpens and influences another through discussion- Proverbs 27:17.

It is a forum for married couples to come together to pray for the sustenance of their marriages and to pray for the marriages that are experiencing challenges.

It is a forum to raise and equip marriage mentors, couple that are matured, tested, tried and trusted in the Lord to help in mentoring young/newly married couples and, or couples that are having challenges in their marriages.

It is a forum for married couples to come together and have clean fun in the Lord. With events like trips, vacations, seminars, book clubs, etc.

What we believe

- God is our creator of all things
- The word of God is the ultimate teacher and arbiter in all things pertaining to life and godliness.
- Human beings are tripartite in nature- Spirit, Soul and Body.

# LIFE IS A TEST PART 2

BY PST COMFORT OGIE

There is no change of level unless you pass the test. Joseph passed his own test and was promoted he patiently endured. (Gala 6:9) The agenda of God for man is in phases, as we walk faithfully with him.

Our times are in his hand not in our hand and he can never mismanage anyone's life. Let's not turn back in this journey, (James 1:12) the harder you follow God, the higher you fly. Just follow his agenda and leading and you are sure of fulfillment of vision and purpose in your life.

Joseph was in captivity from age thirteen and was writing his own test and rounded it up at age thirty. Situations are not forever, be diligent be faithful, trust God, and you will surely pass yours in Jesus name.

# Put it to Heart Part 2

**By Rev Bukola Denton**

Parents, you must not forget how you started the journey of your life and your children. God is always there at the beginning, don't take Him out of the journey as you move.

This was how Saul started but ended up consulting the medium has no free access to God. Yours must not be. Watch and pray (Matt 26:41) Do not be carried away by success syndrome Judges 13:1-18; 14:1-15

Samson's mother's name was not mentioned but the Bible said the Angel visited Manoah's wife. Her name is either mentioned or not, but the most important is that she was a devoted Christian who has a relationship with God even when she spoke with her husband with how the husband made a demand from God and the Angel was released back. Shows they always service the Alter of God they have.

1. Samson is a gift from God to their family and generation but they slept in the race (when men slept, the enemy came- Matt 13:24-30)

2. Samson was not counseled before marriage.

3. Samson misused the authority/power that God gave him.

# JOY OF WORSHIP

**BY APOSTLE DEBORAH STOCKTON**

(Psalm 98:1-2)

Oh, sing to The LORD a new song!  
For He has done marvelous things;  
His right hand and His holy arm have gained  
Him the victory.

2 The LORD has made known His salvation;  
His righteousness He has revealed in the  
sight of the nations.

(Psalm 84:1-3)

How lovely is Your tabernacle,  
O LORD of hosts!

2 My soul longs, yes, even faints  
For the courts of The LORD;  
My heart and my flesh cry out for the living  
GOD.

3 Even the sparrow has found a home,  
And the swallow a nest for herself,  
Where she may lay her Young—  
Even Your altars, O LORD of hosts,  
My King and my GOD.

What greater way to start off our day than to communicate to GOD in prayer, praise, and in worship. By surrendering our heart to The LORDS will we receive satisfaction and Joy is a feeling of great pleasure and greatness. Music has been a part of creation since the beginning of time. Birds sing their song Trees rustles and strain with the blowing of the wind.

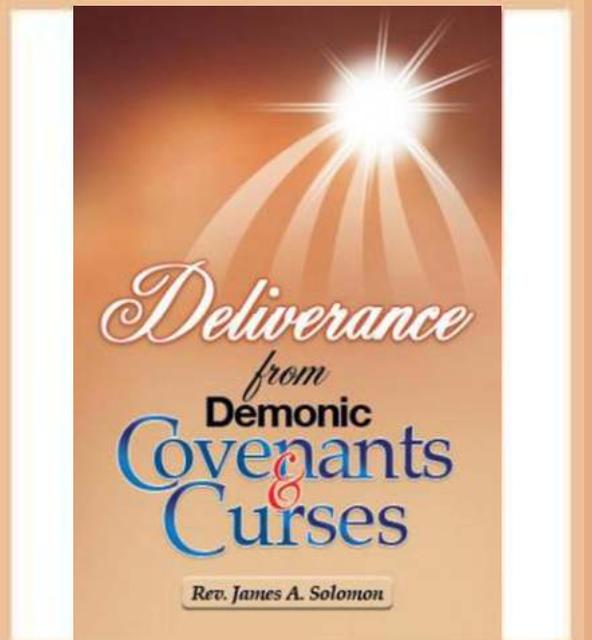

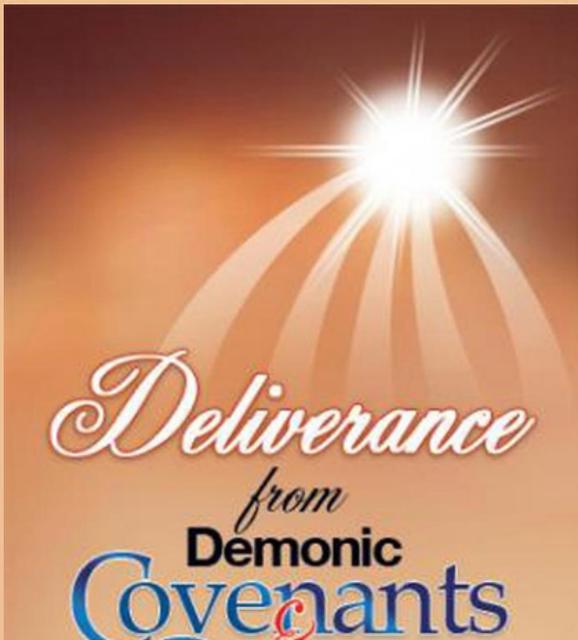

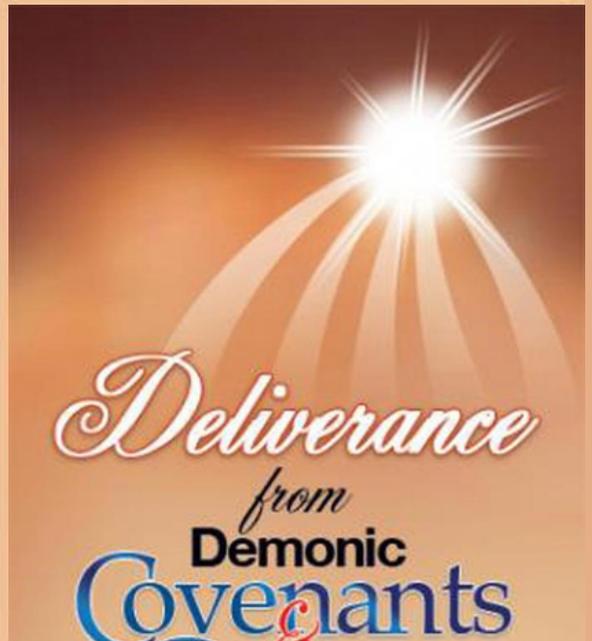

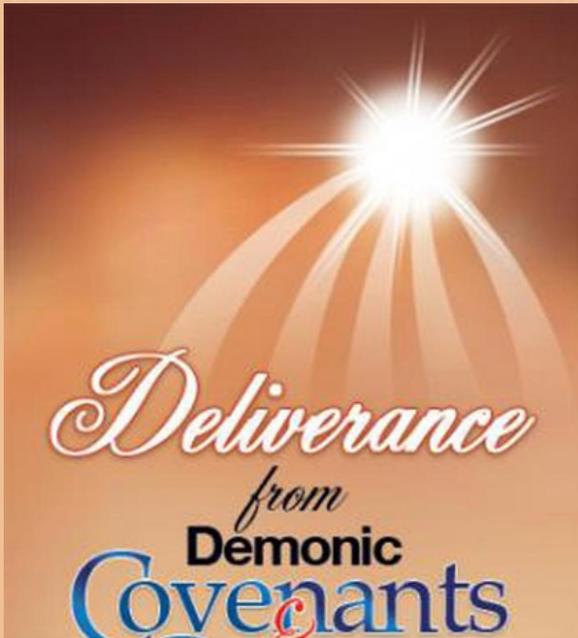

Seas pound or gently in rhythmic waves on the shores. In the human experience, music resonates with the depths of our souls.

Modern worship services sometimes are more of a show than they are interactive experiencing. Worshipers are often sitting in the pews or chairs and encouraged to simply watch what is happening on the stage.

In contrast to that, music invites participation; it offers every person in attendance a way to get involved: singing, clapping even moving to the sound. Also music gives people a chance to express what words cannot. In life, a groan or a laugh can mean far more than words to describe our inner thoughts and hearts. Music touches our emotions in such a way that we are literally able to feel our communication with GOD, its brings joy to the souls.

As we read and made declaration earlier in Psalm 98 we see that it's an expression of jubilant, joyful worship with trumpets blasting, hands clapping, and people singing and shouting for joy, there is a great celebration of all the wonderful things GOD has done and all creation joins in. Every day in our lives we can reveal JOY to others as we are offer joyful worship to GOD. Our lives are the music that tells the story of the redemption and hope we have in JESUS CHRIST. Through our lives, others hear the joyful music of what life and living in relationship with a loving GOD is all about. And hopefully they will want to be a part of that music too. This is just a simple reminder that someone is always seeking an answer and a sign that THE LORD is truly a good GOD amidst uncertainty and hardships. They are watching us to see if our joy is for real . Be the light of abundant joy that others need by displaying gratitude by freely and actively worshipping THE LORD in spirit and in truth. (Amen!)

Respectfully,  
Apostle Deborah Stockton

## ABOUT THE BOOK

DELIVERANCE FROM DEMONIC COVENANTS AND CURSES is a ground-breaking book. Multitudes, all over the world, have grappled with problems emanating from demonic covenants and curses. Hamstrung by demonic bondage, victims of covenants and curses wonder why they are mysteriously programmed to live as prisoners of the kingdom of darkness. With unusual prophetic insight, uncommon application of scriptures and a compelling presentation of true life experiences, the author guides the reader and shows the way out of bondage into glorious liberty. The prayer points are explosive; the exhaustive nature of the book is quite illuminating, while the style makes easy reading. This book is a must-read for those who want to be free from satanic bondage and those who want to teach others.
