BRIEF INTRODUCTION ABOUT THE BOOK GLORY IN THE WILDERNESS

By Pastor Bola Adepoju

INTRODUCTION

We always pray that each day ends happily. However, what happens to your faith when you are faced with an unexpected situation that is life threatening and the chances are high that it may not end happily? What do you do when your life spirals out of control? What do you do when you have done all you can do? Once you reach the end of your rope, chances are you have done all you can do, correct? There is an old saying, "When you get to the end of your rope, tie a knot and hang on." Sometimes, it is not so easy to hang on.

In March 2020, I experienced a life jarring event where I felt lost, alone and at my wit's end. I felt as if God had abandoned me when I needed Him most. The unexpected happened in the blink of an eye. I went from mourning the passing of my father to fearing for my life. The experience changed me for the better, enriched

my faith, and set me on the path to my destiny. Life is made up of the most unexpected twists and turns – this is one of them! Read the Book, "Glory in the Wilderness" to learn more about my true story of horror and God's power to deliver and restore.

BENEFITS OF READING THE BOOK

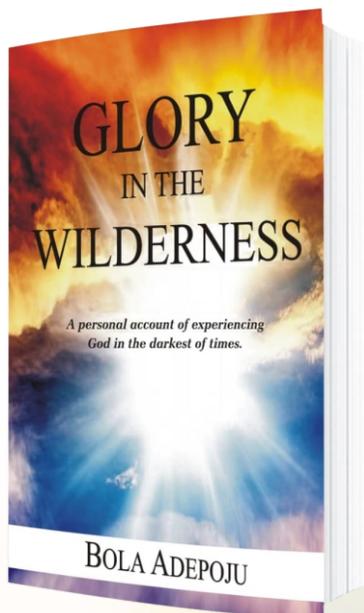

The book, "Glory in the Wilderness" will have you transfixed as I walk you through my experience. It may sound unbelievable, but if I can live to tell my story, so can you.

As a woman of faith, I experienced one of the most horrific tests of that faith. The harrowing tales of my experiences, my thoughts throughout, and the lessons acquired will bring you to the edge of your seat.

Do you believe in miracles? If you do, this book will magnify your belief. If not, after reading this story, perhaps you will. Miracles occur even in the darkest of times.

Whatever you are going through, remember that:

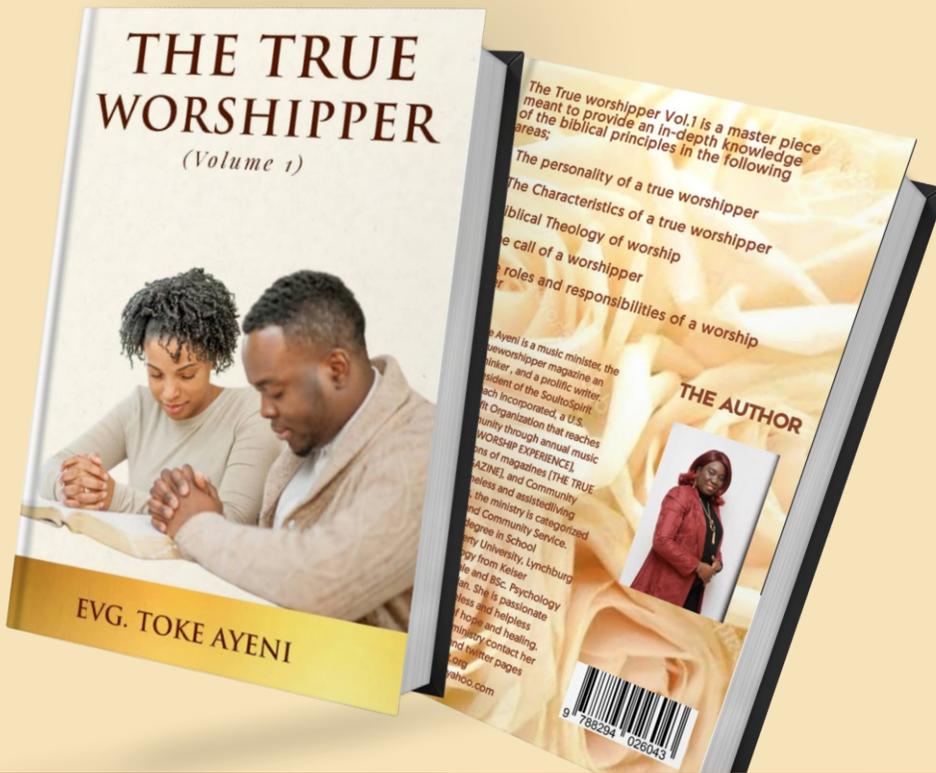

- As a child of God, you are not trouble-free.
- God sometimes puts you through trials to prepare you.
- In the midst of trials, God still remains an ever-present help.
- Everything God does is by design and in His time.
- If you are alive, know your mission is not done.

Exclusive Interview

WITH APOSTLE BALA ABRAHAM

The Guest **Apostle Bala Abraham**

Greeting: Good afternoon, Sir.

Question: Can we meet you, sir?

Apostle Bala: My name is Brother Bala Abraham.

Question : Brother?

Apostle Bala: I am an Apostle.

Question : Okay, Apostle Bala Abraham.

Question : Can you tell us about your Ministry and the growth in Ministry?

Apostle Bala: Well, our Ministry began in the year **1999**. The **17th of November 1999** to be precise. It started, as a prayer Ministry. Our thoughts every year then, was that the Lord turn us into a Global Church, an International Church. So we now have the name **Apostolic Triumphant Church International**. we have moved across the world. We are established in South Africa, Canada, Lagos Nigeria and here Atlanta, Dallas, North Carolina and, Philadelphia. that is how the Lord has been moving us.

Interviewer/Question: Great. It indeed has been an awesome journey in Ministry. The Lord is establishing you all around the globe. Can you tell us about your experience in ministry, so far in all these years?

Apostle Bala: Yes, when you say experience. My experience is very broad. So, is it in terms of personal experience or ministerial experience itself? Okay, well speaking about the gift God gave me. He gave me a gift and my gift are that of Working Miracles. So, I have experienced a lot of miracles in ministry. Two dead bodies have been raised to the glory of God, the blind have received their sight, souls have been won into the kingdom, and people who are looking for the fruit of the womb have been blessed with children.

All manner of healings has taken place, and many more, that I cannot stand here to count. So, these are some of the experiences that we have had in Ministry.

Interviewer/Question: The Lord has really blessed you, sir. That is good to know. Okay. The next question is how are you able to combine your family life, business life, and Ministry? I'm just being curious.

Apostle Bala: Yes, Well. It can only be possible with the grace of God. I know since we have been in Ministry the Lord has been faithful to us, we have been able to distinguish between the family and the ministry itself, there is time for family as well as for God's work. For somebody like me who travels, the Apostolic Mission requires one to travel from place

to place. I am a church planter. So, I have to travel from one place to another. My family will always be on my mind. **"I thank God, that I have a praying wife and praying children. So, they put me in their prayers, and any time I have the opportunity, I get back to my family and we are always together discussing many things"**.

So, It has been God all the way, the greatest thing in life is when you are able to find yourself a partner that understands. You know when you have a partner that really understands, what God has placed in your hands and your partner, is fully involved in what you are doing, then you are on the better side. Ministry is very time-consuming. It is, and if you have a very good partner as I said, then he or she will be able to understand that, the time that he or she spends is not wasted. I mean the has been planted. So, we all do planting, both of us plant our time in the work of Ministry and we yield results. Thank God.

Interviewer/Question: That is so good to know, sir. Now, to your AnnualMissionProgram, The Reigning in Life Mission Program. Can you tell us more about this program? What is the mission of this program, the Reigning in Life Annual Conference? Can you tell us your aims, your objectives?

Apostle Bala: Yes. You know as I said earlier, I can operate in the office of an Apostle and I am also a church planter. So, we have planted over 13 branches of churches and Ministries. I don't want to just leave those places that we have planted just like that. So, what I do is every year, I go to visit. I have what we call The African Mission, South African Mission, The European Mission, and then The American Mission, but for now, we are dealing with The African Mission. Our aim is to raise funds, not only funds but also to get private medication, and clothing's that we can send to people especially our people back home in Africa that do not have them. So, we do that and we call in brothers and sisters from all works of life to come once a year and gather with us. It also celebrated alongside my birthday. So, we do it every year. "My birthday is on the 14th of February and so, this one is coming in around that time also. We have organized it, and the funds would be raised and then those funds are utilized where they have been sent to".

Question: Sir, in other words, your target audience for this particular season is the African churches. Africans in general

Apostle Bala: You mean to come to the conference? No, the conference is open to all works of life, people from every works of life. white, black, yellow, green you know, they are invited. The mission in Africa is where I and my team are going.

Question: Okay. Thank you, sir. So Africa, when you say Africa sir, is it a particular country or a particular continent that you are going to be impacting?

Apostle Bala: Yes, Africa is a continent. Nigeria is where I was raised. We have places to go in Nigeria, places to go in South Africa, Namibia. These are my three major targets this year by the grace of God to be in Namibia, South Africa, and Nigeria.

Interviewer/Question: "God will make it happen in the Mighty name of Jesus. He will send your Ministry helpers in the Mighty name of Jesus" Sir, now, how do you want the public to support this great Missionary work, because I see that this is a great work that you are doing. How can the public be of support to this Mission work?

Apostle Bala: Amen, Yes. We have set up platforms for that, where people can reach us on. People can reach us on my **Facebook**, and on **Instagram** or if they want to come in or join in with us to enjoy the banquets, our address will be given. They can meet us in the church where we would be hosting the banquet itself. So, we have the whole day, where we all meet and eat and dine together. But people can also reach us through the channel of the post office. So, they can get my post office address, they can get my accounts which I would not like to put up now, but my account number can be gotten, and then they can send whatever they wish to send. **"A dollar, is not too small. So, we are, calling in for those who would like to support. We would like to receive and help those that are weak"**.

Interviewer/Question: That is a good Mission, sir. The next question is, the name of this magazine is "The True Worshipper Magazine". Do you have any piece of advice for Music Ministers and other Clergymen out there as the name implies the true worshipper? This is a platform that reaches out to both clergymen and music ministers. So, what piece of advice do you have for them, sir?

Apostle Bala "Yes, every true Man of God or Woman of God, are worshippers. We are, first of all, worshippers. To worship means to adore, it's adoration. Worship does not come through the head; it comes from the heart". So, when a person is worshipping, it is not even the songs that really matter but the heart and the passion that you put in. So, I think this magazine will go a long way because the owner is also a worshipper.

Yes, you are truly a worshiper and I don't know what God is doing in your life, the anointing is there. So, that the Lord will use this magazine all over. So, people, ministers of God that will be reading our stories of what we put out there should be reached. "This magazine is supposed to serve as an outlet where Ministries can expand because the more people learn about it there is expansion, right? I believe that is what it is for. I really recommend it".

Question: Thank you very much, sir. And on a final note, well, what is your definition of a successful Ministry? I know that the Apostolic International Ministry is a very successful Ministry and different Ministers have different definitions of a successful Ministry. As a father and in the Lord, what is your definition of a successful Ministry?

Apostle Bala: Alright. I would like to pick it up from the scriptures. God called Moses and at every mission that was given. Moses called Joshua, he called Caleb, and he raised them up so when it got to a time, Moses had to release the ministry, and relinquish the ministry to Joshua and Caleb. So, to me, in definition, I would say that a successful Ministry, is a Ministry that has been established that can raise younger ones. As you raise those ones, you are able to empower them so that they can continue with what God has given unto you. Success is a journey. Success is not just building mansions and all that. No. "Success is a journey in life and the more you are able to impact people and be able to move ahead".

God has used us to impact so many people in the world. Many ministers have been raised, we have ordained, we have sent people into the field, and right now, they

are there working. To me, that is true success. I have always told them that we will not be successful ministers if we too cannot raise upcoming ministers. So, that is what we do and I believe that it is the only way the ministry of the Lord Jesus Christ can be fulfilled.

Question: Men. In essence, we can say a leader is successful when he has a successor.

Apostle Bala: That's right. That is the reward, his successor. A Leader is truly successful if he is able to raise a replica, a successor that can take the mantle from him.

Interviewer/Question: Men, Amen, Amen. We thank you for your time is there any other thing at this time you want people to know about your Ministry, about the upcoming program?

Apostle Bala: As I said, I emphasized on help. We need help, we need a lot of help, and I want to also say, there are Ministers out there who have no churches. But actually, God has called them but they are struggling with one thing or the other. I would like them to get in touch with people like me. I am just a brother to them. So, as God used somebody in my life, I would also like to use what God gave me to get them up. If you have a very good dream that God has given you we would like to be a part we would like to help with such a dream. They can reach me. My number is 214837432. Whether you are an Evangelist, you are a Prophet, you are an Apostle, you are a Bishop, whether you have no church, you are struggling, you can come and lift we would lift each other up and see the glory of God.

Interviewer/Appreciation: Amen. Thank you very much, sir, for that information. That was very helpful. And I believe that a lot of Ministers will find a place of fulfillment and purpose in your Ministry in the Mighty name of Jesus.

Thank you for your time, sir.

Apostle Bala: Amen and Thank you, Evangelist. I appreciate you. –

MARRIAGE FOR LOVE AND LIFE NOT A COFFIN PART 1

By Pastor Christopher Ikebuwa

Your marriage can still do well in a divorce prone country with either 40% or over 65% divorce rate!

If you live in a divorce prone country, community or family where self is idolized and given the uppermost place than the will of God, family, culture and values are being eroded and people have lost touch with God all because of comfort. Your marriage can still be made to be different that is, become a symbol of envy and worth emulating.

You need to do the following:

- i). Put God first place in all you do.
- ii). Keep his word uppermost in your life.
- iii). Love your wife unconditionally or submit to your husband unconditionally.
- iv). Be apologetic and repentant when you make mistakes and hurt your spouse.
- v). Don't put your feelings of hurts above the word of God and above the good things your spouse has done for you.
- vi). Have a reconciliatory heart. Always ensure your anger or that of your spouse don't hangover to the next day. Avoid malice. it is Satan's poison that comes with symptoms of separation or divorce.
- vii). Forgive through the grace, mercy and love of God for you before it becomes a family meeting affair and in turn public later.

viii). Never build on your spouse's weakness or mistakes to overshadow his or her good parts or potential. We all have our weak and strong areas.

ix). Stop taking major decisions alone. Let your spouse know your heart. Be transparent.

x). Share your finances and assets with your spouse. This should be both ways. This is what good friends do.

xi). Share your temptations and pray over them together, especially when an opposite sex or in-law matters are coming in between both of you, express your thought with calmness not by being cantankerous.

xii). Always help your spouse to overcome his or her challenges.

God of Yea and Amen

By Apostle Joel Elijah

In the beginning was the word and the word were with God and the word is God. Notice in verse 3 that all things were made through him. (John 1:1-3) one of the enemies of believers today is unbelief of not trusting God to fight their battles. John 10:10 reads "beloved your faith makes you and move God. Our believe in God is what commits God to perform his word concerning any areas of our challenge. Abraham believed God and what he promised came to pass. Righteousness is the nature of God in fulfilling of covenant promises. God shows himself strong on behalf of those who trust in him.

Abraham saw the promises manifested not because he worked on it but only believed and never staggered or seek alternatives. Everything works out beautifully at his own time. The God we serve is a miracle worker. Jesus Christ came that we may have life and have it more abundantly. Throughout his earthly ministry, he never healed or delivers except you believe. Brethren, what will move God to work on one's life are his/her belief and the word being spoken. For out of the abundance of the heart the mouth speaks. You cannot expect answer to your prayers when you are speaking contrary. There is a seed of multiplication in every creature created by God (Gen 1:24-28).

The word of God is unthwarted rule. The Bible said he commanded and it came to pass. "So shall my word accomplish what he pleases" meaning it cannot fail. Always speak the word to the challenge and see the God of suddenly in action. The baton of dominion has been conferred to us to rule our world. Some of the things we have done in the past have given the devil the legal right to stand against us, but glory be to God, the price to regain our freedom has been fully paid as found at Col:113 Psl104:30. No matter what the doctor or the world around you said, the power of God is always there to counter it.

Faith said we should keep saying what the word says concerning any area of our challenges and be full of expectation that he hears us when we pray. For everything works out beautifully at his own time (Ecc 3). God is still in the business of doing what his word has said. Beloved, keep saying it and do not give up for your miracle is on the way. God is love and his thought for us is good and not evil to give us a hope and an expected end. He is too faithful to fail. Your faith is your future. What you can't declare you can't get. Make the word your confession.

By Apostle Joel Elijah

Whatever you say has the power to create the expected experience. From this day, the Lord will honor your words with miracles. The devil will obey you. This year your needs and expectations shall receive supernatural manifestation.

All your endeavors shall experience supernatural success In Jesus name.
SHALLOM

*Yours in vineyard,
Apostle Joel Elijah.

MARRIAGE FOR LOVE AND LIFE NOT A COFFIN PART 2

BY PASTOR CHRISTOPHER IKEBUWA

Your Marriage can also become a symbol of envy and worth emulating when you do the followings:

xiii). Pray for your spouse more often - whether there's problem or not. The more you pray, the closer you will become.

xiv). Feel like Agape (God's divine love) is capable of making you give away your interest or feelings just to make your spouse very happy. It is better not to use your unhappiness to make your spouse become unhappy. Remember, Agape is divinely sacrificial.

xv). Learn how to be patient too.

xvi). Don't put your parents and siblings and your children above your spouse. Your marriage covenant with your spouse is to remain top of your family relations.

xvii). Don't allow your need of a child/male child be the reason to allow the devil to make you begin to misbehave. Go for counseling.

xviii). Settle all quarrels in the bedroom and celebrate with the children publicly. Don't provoke them to wrath. Children grow better in an atmosphere of peace and love. Let them know that every penny you spend on them is from both you and your spouse.

xix). Do all you can to make yourself become the best friend your spouse has never had or could ever have.

xx). Don't forget your marriage vow and how you started on "love avenue."

xxi). Cut off from bad friends who don't have good marriages, and don't mind yours going their way too.

xxii). When you don't know what to do to solve issues between you and your spouse, avoid sleeping in separate rooms, or packing to a friend's or parents' house. This is one of the ways divorce symptoms are born and escalated.

xiii). Don't engage in "text war" (using your phone to send provocative and counter missiles instead send "i love you" messages).

xiv). Avoid telling an opposite sex how much your spouse has starved you of sex in spite of your love for him/her. Satan will set you up for sin if you are not careful.

xxv). Go for counseling with a seasoned minister of the gospel and a marriage counselor when marriage is threatened.

Deal with your negative attitudes now, watch out and learn how to handle your spouse's negative attitudes.

Marriage is for love and life not a coffin!

HAVE YOU LEFT JESUS BEHIND?

Jesus' parents took him to Jerusalem for the feast of tabernacles, which was a feast of mass returns for the Jews. After the feast, Mary and Joseph set out on their way back home, and they supposed that Jesus was in the company of their acquaintance not until they have made a day's journey did they realize that Jesus was not with them. They went looking for him everywhere and eventually found him in the temple where they left him. Just like Mary and Joseph for us a little distraction here, busy schedules there, rough time at work, tiring battles, and struggles with carrier, family, and ministry, we'll not realize we've left Jesus behind and he's no longer traveling with us. But like his parents, in our minds, we will think that he's still with us. Not until we realize that he's not with us, then we'll go back like Joseph and Mary where we left him. Notice he will not come to you but you will have to go to him, because He's waiting for you where you left him, at that very spot. Where did you leave the Lord? Go back and find him. Where do you find him? You'll find him exactly where you left him.

It could be at the place of your pain and sorrow, sickness, difficulties, financial problems, divorce, quarrel, offense, disease, frustrations, struggles in life, loss, death of a loved one, family, job, career, ministry, business, disappointments or sufferings, etc. Where you left him go find him, remember that you cannot do without him and he remains the hope of any deliverance and salvation for you. So do make haste to find him without further delay and reconnect with him.

The Crisis within The Christian Faith

By Apostle Vonnie Dakeku Part 3

As parents or those raising children in today's world we cannot ignore the fact our youth are being educated and raised in an increasing secular society that relies on science and facts that can be proven and do not support having faith in a God they cannot see. Dedicate and give your children to God it is not too late. Your prayers have power and God hastens to perform his word in response to your prayers. Give your children to God now regardless of their ages, Put them on the altar. Dedicate 1 day of prayer and fasting each week, putting them before God and the Holy Spirit, he is faithful to perform a work in their lives.

LISTEN TO HOW HANNAH PRAYED

At 1Sa 1:11 "And she made this vow/A COVENANT PROMISE TO GOD: "O LORD of Heaven's Armies, if you will look upon my sorrow and answer my prayer and give me a son, then I will give him back to you. He will be yours for his entire lifetime, and as a sign that he has been dedicated to the LORD his hair will never be cut. 3yrs later she returned with Samuel and says, (Verse 27) I asked the LORD to give me this boy and he has granted my request. Verse 28 "Now I am giving him to the LORD and he will belong to the LORD his whole life." How many of us have prayed this prayer and made vows to God but never followed through wholeheartedly and now we are seeing the fruit of our unfaithfulness in the lives of our children? (Prov 22:6) is a very familiar scripture that encourages parents to "Train up a child in the way he should go [teaching him to seek God's wisdom and will for his abilities and talents] Even when he/she is old he will not depart from it. Are we consistent to do it?

The Holy Spirit is faithful to perform a work in the lives of our children as we pray and give them to the lord. According to Romans 12:3, we have all been given a measure of faith even our children. So, let us work to nurture and build that faith. When your children come home, it is vitally important that you talk with them about their day. Engage them in conversation and specifically ask them what they were taught and what they learned. Carefully look over and review what is being taught in their schoolbooks. Read over their homework assignments.

A Tool of Inferiority & Destruction

Part 1

Looking around the world today, the element of Comparison is seeing to be driving the vehicles of individuals, families and organizations to my understanding not of God's initial masterpiece for His human creatures. Comparison is the act or process of putting two or more things like ideas, people, projects, on the side of each other in order to draw out their similarities or faults to help such project, ideas to come to an advantageous conclusion(s). Rather than having 'comparison' to take the course of positive influence on nature and developments, it is being utilized to derange the masterpiece plans of God to humanity. This aged tool has been in operation even from Bible ages. And the list goes on and on till today.

It was this tool that Satan used to activate the fall of Man in the garden at Eden. Satan illusion Eve by comparing 'the eating of the fruit' WITH 'the avoidance of the fruit' Thus the fall of Man. Cain became a murderer of his only brother Abel when negative comparison was permitted to take root in his heart. Thank God that Abraham quickly separated from Lot when he discerned the problem that could arise between him and his brethren Lot, because their herdsmen started having to strife against each other. No wonder it was vehemently discouraged in (2 Corinthians 10:12) "For we dare not class ourselves or compare ourselves with those who commend themselves.

By Bosede Adetunji

But they, measuring themselves by themselves and comparing themselves among themselves are not wise. I wouldn't think comparison is peculiar with a particular sex; however whatever God classified as bad should be taken as bad

Boundaries, Choices & Brokenness Part 1

Brokenness in God's eyes is being so crushed by our sin and the darkness of the world that we recognize there is no place to turn but to God. David's life is an example. Brokenness is a vital requirement for every believer (Psalms 51:17). It is a sign that one has encountered Christ.

A boundary is a clear line. It can tell you where to stop. It can define where one thing ends and another begins. In any relationship, boundaries define where our control begin and end relative to the other person.

Each believer is responsible for setting boundaries in his life and the Holy Spirit helps us with wisdom and discernment in these areas. However, it is our choice to yield to his prompting or boundaries in relationships in areas of discussions and in the choices, we make in general.

God's word is a Light and a Lamp that shines on our path way and guides us (Psalms 119:105) in our walk with Him. Unless we stop fearing men and begin to truly reverence God, we shall continue to live in sin. As believers we can no longer blame others for our errors. When we make careless choices, we cannot blame Satan or anyone else.

Engaging in spiritual activities and exercises is futile without a broken and a contrite spirit. Without a broken spirit there is no conviction of sin. Without conviction there is no remorse or repentance. It is extremely dangerous to be playing hide and seek with God and think you will get away with it. There is nothing hidden that will not be exposed (Mark 4:22).

Deception is of the devil and will eventually bring catastrophic consequences. The sad part is that, the consequences always go beyond the disobedient person to affect others close to such a one...

Boundaries, Choices & Brokenness Part 2

A person who continually lives in sin and who insists on justifying his actions, playing the victim card and apportioning blame has not encountered Christ yet. God loved David not because David was sinless, but because he was honest with God and was prompt in accepting his faults. David was truly remorseful and quick to repent when confronted by Nathan the prophet. David was not finding clever ways to cover up his sins any longer. He wasn't playing the victim card and justifying himself. He was sincerely remorseful. (Read Psalm 139:23-24) and (Psalm 51) through. We find that Perfection comes through consistent brokenness in the little and big things. No disobedience should be belittled by a believer. Pride will bring down anyone irrespective of economic, religious, social or academic status. On the other hand, a broken person before God can never be stopped from rising. God himself will lift that person against all odds. David was described as "A man after God's HEART". What are you and I after? God's money? God's fame? God's anointing? Without God's friendship and obedience to His commands?

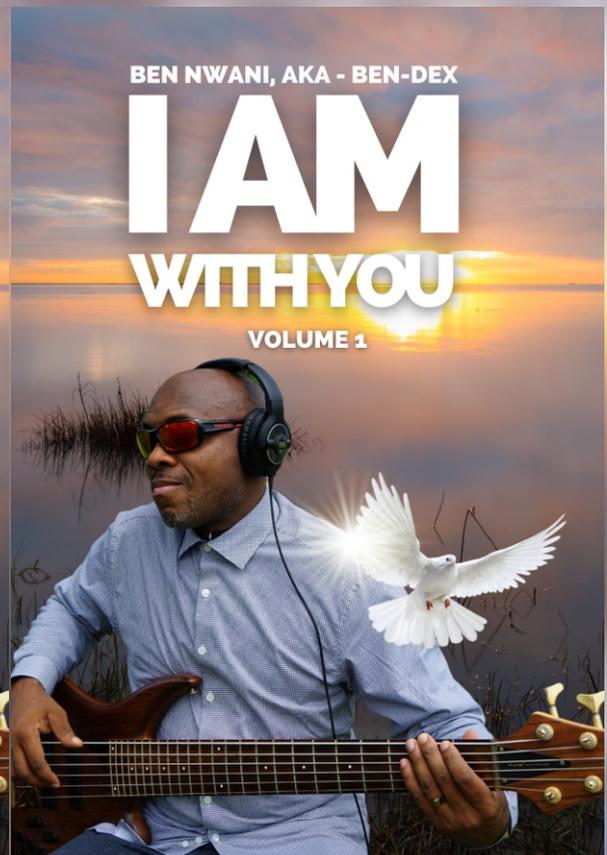

It is not going to last even if it happens. God not only listens to our speech; he also hears our heart. The service and prayers of many are not motivated by God's glory being made manifest.

They are motivated by selfish interests. What is the primary motive of your service to God? Search your desires, search your heart as I do mine. In what ways are they linked to God's mandate of saving souls? Pray that God will purify your heart and motives so that your ways will please Him. There is no new year without a new you!

Make this a new year indeed!

DON'T STOP DREAMING BY

Text: Gen 37:1-44 & 1 Sam 17:1-25
 This Is A New Year but Come to Think of It, What Is New About The Year If You Don't Have A Dream Or You Have Stopped Dreaming? For Every Year That Start, You Must Have A Goal and You Must Be A Goal Getter. This Is One of the reasons you made the Year New.

Hindrances to Your Dreaming include:

- i). Associating with The Wrong Set of People.
- ii). Not Believing in Your Self.
- iii). Allowing Men to Bring/ Run You Down.
- iv). Not Seeing Beyond Your Present Situation.
- v). Putting Your Trust in Man.

How to Fulfill Your Dreams Includes:

- vi). Keep the Fire on Your Altar

Burning (Your Relationship with God).

vii). Be Confidence about Your Self and Don't Sell Yourself So Cheap to Men.

viii). Carry God's Presence -with You at All Times and Be Your Self.
 ix). Learn to Keep Your Mouth (Prov 13:3) "He Who Guards His Mouth Protect His Life, But The One Who Opens His Lips Invite His Own Ruin".

x). There Are Dream Killers Those Who Are Going No Where and Not Ready for God to Bring A Change in Their Life. All They Want Is to Stop Others from Entering into Their Destiny Beware of Them So that You Can Get to Where You Are Going.

They Tried to Stop Joseph Thinking Age Is Everything; Same in The Life of David But They Failed Woefully. Joseph and David Was Determined. They Dreamt Big and were able to Attain That Glorious Level God Had for Them. You Will Get There. There Is Place Call There.

COVENANTED WORSHIP/SERVICE FROM DIFFERENT REALMS OF REALITY

BY APOSTLE ISRAEL EGESIONU PART 1

We now have only one eternal high priest and all his children are royal priests and have access to the holy of holies under the new covenant 1Peter 2:9-10 We just have to manifest his glory, death still activates covenants and consecration or sacrificial living activates divine covenants John 12:24, Coverings have been removed in our place of worship so people we encounter would capture God when we relate 2Corinthians 3:9-14 Although coverings are removed and some may still ignorantly worship with shadow objects instead of being living sacrifices. The Old Testament Covenant spoke of a reality in eternity and we are called to adumbrate this eternity per our time on earth (Hebrews 8:5). Priesthood is the system that makes all our spiritual worship to manifest in the earth realm, It's an earthly permission or license for heaven's intervention on the earth realm (Hebrews 5:1-5; 8:1-3). The High Priest of our calling has called us into life in his presence. His presence is the proof of our covenant relationship with him and evident in the acts of our apostolic mandate see Hebrews 9

The High Priest office

According to research "high priest, Hebrew kohen gadol, in Judaism, the chief religious functionary in the Temple of Jerusalem whose unique privilege was to enter the Holy of Holies (inner sanctum) once a year on Yom Kippur, the Day of Atonement to burn incense and sprinkle sacrificial animal blood to expiate his own sins and those of the people of Israel. On this occasion he wore only white linen garments forgoing the elaborate priestly vestments worn during the year whenever he chose to officiate at service.

Text: Hebrews 9; 2 Corinthians 3

Introduction:

The essence of this teaching is to emphasize that Covenant relationship with God is evident in our sacrificial life of worship and service to the Lord. It is evident that while these acts of worship can originate from various realms and places, God in this New Testament requires us to worship from his holy of holies, note that the most important aspect of true worship or covenant worship is priesthood and his place in the sacrifice is captured in this series. While many may choose to worship from various parts or places of the covenant, God demands worshipers from the Spirit realm- John 4:19-24 Note that many people can be in the same house but on different floors and even the same floor from different rooms and can have access to an eight floor while still locked out from a 9th realm and thus can miss some realities evident in certain realms of worship.

PROPHETIC DECLARATION

By Pastor Isaac Akingbade

Isaiah 43:2." When you pass through the waters i will be with you and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned, the flames will not set you ablaze. By the covenant of the words of God, i decree to your life that as you embark on journey of this new week, the abundant grace of God will rule over your life and family, and may the protective hand of the Lord Almighty be upon you and your family to shield you from every seen and unseen negative hands, everywhere the soles of your feet shall tread upon shall be deliver to you, you will walk in the victory and liberty of the holy spirit and the perfect peace of God will determine every struggles in your life in Jesus mighty name. Amen. Go in peace and return with bundle of joy and blessings. Shalom

For God does not show favoritism. The travelers looked at Joseph and saw slave. Potiphar looked at Joseph and saw a fine servant that can keep his house. Topic: God's love. Text: 1 Corinthians 13:13." and now these three remain faith, hope and love. But the greatest is love. In this life, some may be walking and others may be running, but remember the Lord of lords gave the torties and horse the same day to reach Noah's ark. Your journey in life might be rough and tough but you will definitely get to your destination. Jacob looked at Joseph and saw a good son. The ten brothers looked at Joseph and saw a useless dreamer because of the hatred and jealous attitude. There will be trouble and distress for every human being who does evil, first for the Jews, then for the gentile but glory, honor and peace for everyone who does good first for the Jews, then for the gentile.

Potiphar's wife looked at Joseph and saw a potential boyfriend. The prison officer saw in him a prisoner. How wrong were all of them because God doesn't look the way man looked, and he doesn't think the way man thinks, Isaiah 55:8. Jeremiah 29:11. But God looked at Joseph and saw a prime minister of Egypt in waiting. Don't be discouraged by what people see in you, but be encouraged by what God sees in you.

A Tool of Inferiority & Destruction Part 2

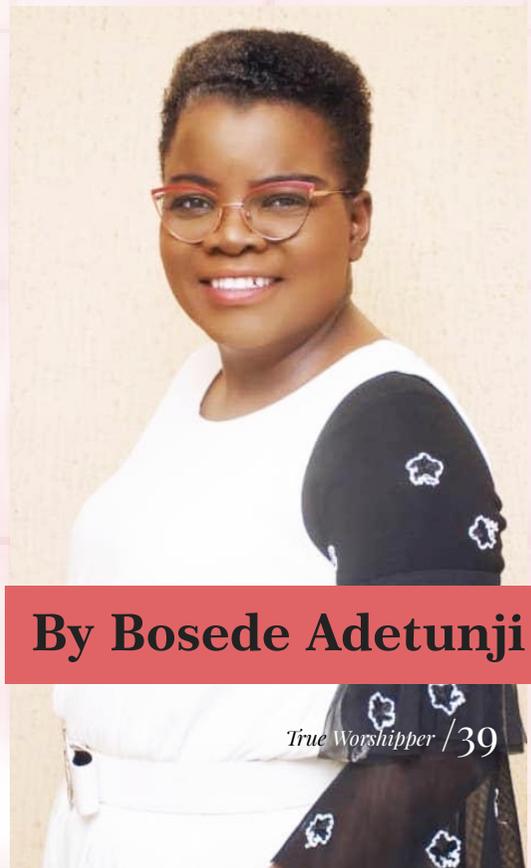

When garment of comparison is on, one's mindset wears off into inferiority and degenerates into a huge complex that can kill ones' vision, talent and relationships if care is not taken. This can happen even to God's children if all that you see is what other person wears, builds or has, rather than to look inward to see what you have attained and possess, which could probably be better or greater if fanned into flame.

How well can the above scripture be explicated without mincing words, it says those that keep comparing themselves by themselves are not wise. In essence, they are FOOLS Women and Men likewise compare their children with other friend's children hence driving their children naught in the home. Wives comparing their husbands to other husbands. And Men with their internalized negative comparisons, stops seeing the beauty of their wives to start engaging in adultery.

Youths comparing themselves to their peers to fall short into juvenile delinquencies. Siblings compares among themselves to become sibling rivalry which is deadly. God Help!!! Having discovered that 'comparison' is a pivot to inferiority, inferiority is to low self-esteem and low self-esteem is to destruction which invariably can destroy all that one has labored for even destroys relationships.

Then it is high time for children of God to continually look Upward and Inward, because that will help to discern and have an undiluted instruction from the Author and Alpha of our lives. Also, when the above is well achieved, the foundation of your project, vision and relationship will not only be firm/solid but will last the tests of time.

The Crisis Within the Christian Faith

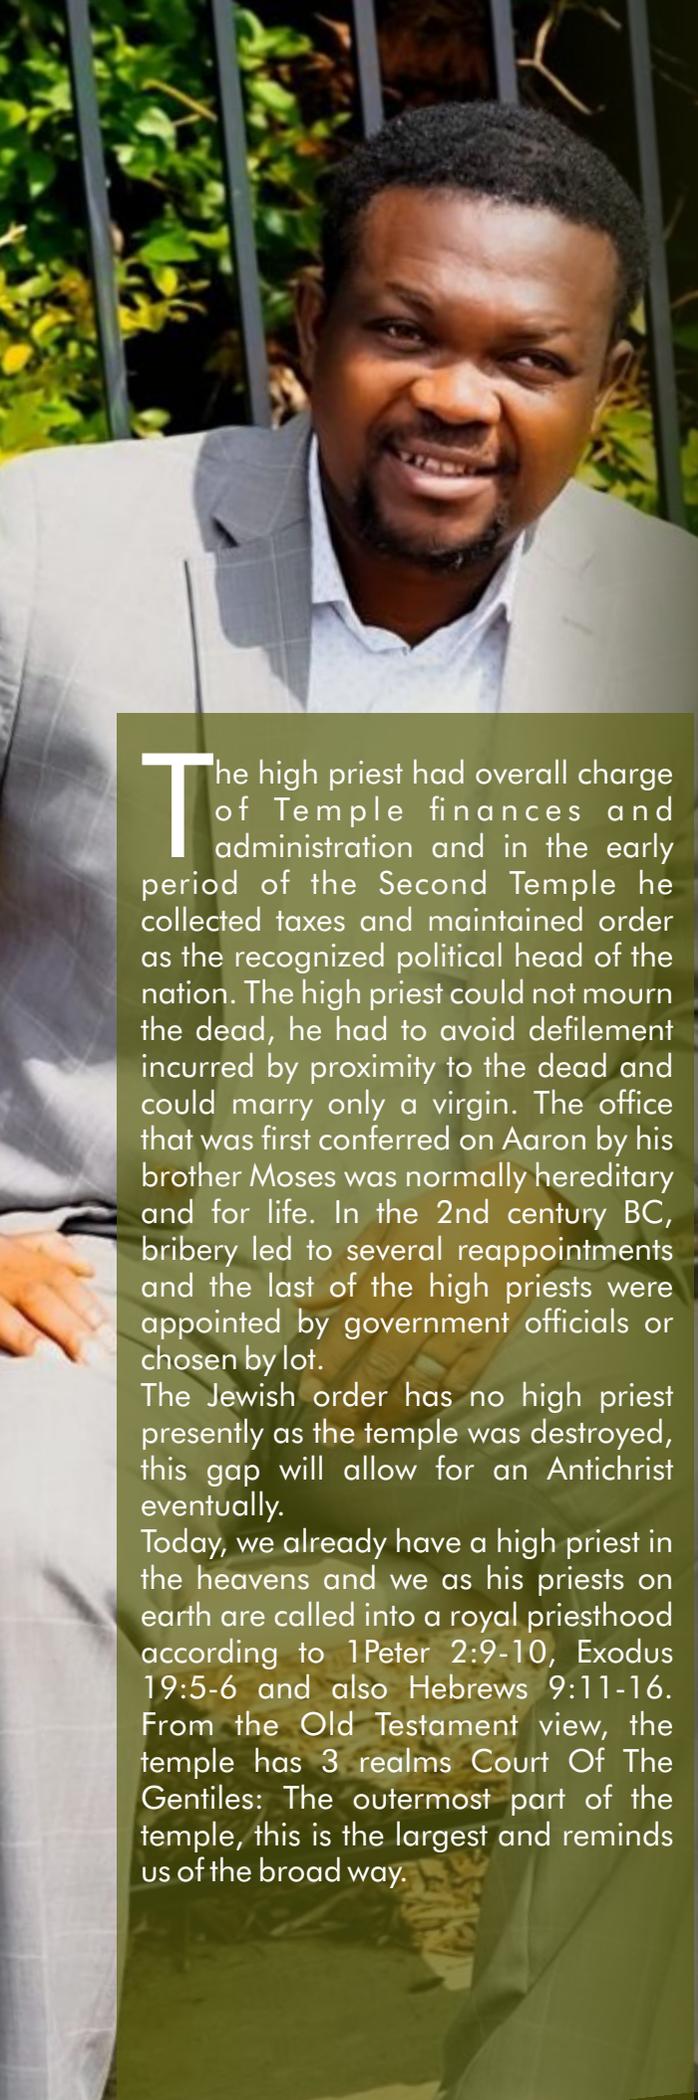

By Apostle Vonnie Dakeku Part 4

Let us make sure we know, understand and more importantly agree with what is being taught to our children. God has put the responsibility of training and raising our children in His way squarely on the parents and church leaders. If there is anything being taught that goes against the doctrines of our faith, belief in God, faith in Christ and lifestyle as Christians, we as parents and church leaders have full authority to address it irrespective of what the world is saying, regardless of what is being promoted in the schools or public sectors, we as believers in Christ, have the responsibility to raise our children up in the Lord. Colossians 2:6 “And now just as you accepted Christ Jesus as your Lord you must continue to live in obedience to him”. Verse 7 goes on to encourage us, “Let your roots grow down into him and draw up nourishment from him so you will grow in faith strong and vigorous in the truth you were taught”

In other words, we must not only ensure that our personal faith in Christ is securely planted, rooted and watered but also the faith of our children if we want them to grow on to maturity.

With a sure foundation in Christ they will not to be moved and dissuaded away from faith in Christ. We are encouraged by the Apostle Paul in the version of verse 7 to remain firmly and deeply planted in Christ, increasingly conformed and established in the faith, as we've been taught not being brainwashed and influenced by philosophies that disagree with the Word of God. .

It gets even more clear in Verse 8,” Don't let anyone lead you astray with empty philosophy and high-sounding nonsense that come from human thinking and from the evil powers of this world, and not from Christ”. Even in the early church, the Holy Spirit was warning the believer not be influenced by philosophies of the world. Today we see a phenomenon of social media “influencers” that have great influence in the lives of our youth. In fact, the great majority of them are the youth themselves. So we are warned to not to be influenced by the so called influencers.

COVENANTED WORSHIP/SERVICE FROM DIFFERENT REALMS OF REALITY

BY APOSTLE ISRAEL EGESIONU PART 2

The high priest had overall charge of Temple finances and administration and in the early period of the Second Temple he collected taxes and maintained order as the recognized political head of the nation. The high priest could not mourn the dead, he had to avoid defilement incurred by proximity to the dead and could marry only a virgin. The office that was first conferred on Aaron by his brother Moses was normally hereditary and for life. In the 2nd century BC, bribery led to several reappointments and the last of the high priests were appointed by government officials or chosen by lot.

The Jewish order has no high priest presently as the temple was destroyed, this gap will allow for an Antichrist eventually.

Today, we already have a high priest in the heavens and we as his priests on earth are called into a royal priesthood according to 1 Peter 2:9-10, Exodus 19:5-6 and also Hebrews 9:11-16. From the Old Testament view, the temple has 3 realms Court Of The Gentiles: The outermost part of the temple, this is the largest and reminds us of the broad way.

This is the Solomon's porch that's mainly for needy worshippers Acts 3:11 Remember Jesus stripes that is responsible for healing happens before atonement and thus healing grace and miracles power are not tantamount to being a covenant child of God, the wall that marks this separation is torn in Christ and describe in Ephesians 2:11-14.

Outer Court: Court Of Women: Here the sick even among the Jews worship here.

Its entrance is called the beautiful gate Acts 3:14. Buying and selling happens a lot here, Jesus drove the table of money exchangers here John 2:13-16, Mathew 21:12, A lot of offerings happen here, the main altar itself has 3 levels on its own and we will combine all together here:

The inner court: It is called the hall of Israel. This is the main actual court and priests minister therein. The 12 stones demarcate this from the holy place Three stepsdukan demarcate here from the next. Israelites wait here while waiting for their offerings to be blessed.

The Holy place: This is the place for the priests. It is the waiting room for the main altar. It has the incense altar, the shewbread, five tables and the candle stick, Sacrifices happen here. There is the offering place, the altar of burnt offerings. There is also the plank kabesh, a bridge leading up to the main altar.
